Addendum

This is an addendum to the February Newsletter. Due to an oversight it was not included in the regular edition.

Dear Fellow QCCC Member,

January has flown by already. The Banquet held last week was by far the best we have ever had! Thanks to Jane Burt for arranging a great party!! Congratulations to all the winners as well. We raised over \$300 for our charity fund. We appreciate Boyd Kurt's donations in helping make this possible.

It's OFFICIAL---- **City Chevrolet** and **Hendrick Cadillac and Chevrolet** have agreed to be the OFFICIAL SPONSOR of Queen City Corvette Club for the year of 2008! We would like to thank Mr. Jerry Ferrell, VP and General Manager, for help making this possible. QCCC will be

holding 2 car shows for them this year and will also advertise for both of them on our Web Site and in our newsletter. They will be making a donation to us in support of our various charities and the cost of advertising and awards. **IF YOU ARE IN NEED OF A NEW CAR, TRUCK OR CORVETTE BE SURE TO CALL ON ONE OF THESE 2 DEALERSHIPS.** Just let them know that you are a QCCC member and see if they can't put you in the driver's seat of a new car!

Mother Nature tried to curtail our Car Care day at Wally's, but we managed to have a successful day. We had a lot of oil changed and a lot of discussions on politics, retirement and, of course, Corvettes. Thanks again Wally and Anita for your hospitality!

At our January meeting, Kay Weisberg and I asked for your input on what type of activities you would like to see QCCC participate in this year. We received some great suggestions and hope

we can schedule all of them this year. Keep a look out on our website and the newsletter to see all the planned activities.

One of our club members, Linda Mills, works with the NASCAR Technical Institute in Mooresville. They are having an open house on March 1, 2008 and would like to put on display some of our cars. The show will be from 9-2. They would love to have some Corvettes to display. Lunch will be served.

We will be participating in the St Patrick's Day Parade on March 15. Please sign up.

Spring Auto Fair will be held on April 5 & 6. We have agreed to have 35 cars there both Saturday and Sunday. We will have a sign up sheet at the next meeting or you can email me at jmeadows@carolina.rr.com if you would like to attend. Carl Slavetsky has agreed to help me with this show. For all you new members, this is a great show and you don't want to miss it!!

We have a couple of road trips started and will give more details later. I look forward to serving as your Automotive Director this year. I hope to get everyone involved. Remember this is **your** Corvette Club. It will only be as good as **YOU** make it!!

Until next time - Save the wave.

John
