

# **Beach Music and Vettes With the Embers**

Saturday, August 19 will be the “Beach Music and Vettes” Cruise In in North Wilkesboro, sponsored by Foothills Corvette Club. This will be held downtown with food and beverage vendors at the site, and The Embers playing beach music starting around 6:30 pm.

Queen City Corvette Club will have two options to caravan together to this event. There will be a meeting near Troutman for those wanting to drive with the caravan directly to North Wilkesboro. Another option will be to meet near Statesville and drive up Brushy Mountain Road (a favorite of the club) to attend the concert. And of course anyone can drive there on their own. There will be sign-up sheets with more information at the June and July meetings.

This is a fun event with lots of Corvettes from multiple clubs, and great beach music along with a beautiful drive. More to come!
