

QUEEN CITY CORVETTE CLUB

2017 RUN TO THE COLORS - OCTOBER 22

Queen City Corvette Club will again participate in the annual Run to the Colors, sponsored by Foothills Corvette Club. Refer to the detailed information on the QCCC calendar.

We will caravan to North Wilkesboro for those members interested. One option is to meet at the Kat's Patch restaurant in Troutman (the same location where we meet for the 4th of July parade). The group will leave the Kat's Patch promptly at 8:30. Tommy Loftin will lead the group. For members north or west of this location, you can meet in Statesville just north of I-40 on Hwy 115, also at 8:30. Take exit 150, go north, one half mile past Sheets, meet in the parking lot of a small business park on the right, across the road from Food Lion. Paul Mitchell will be the contact for this group. The complete group will then continue to North Wilkesboro.

The Foothills Club will continue on north after the meal at Shatley Springs. Most QCCC members prefer to head back south then. We can caravan together back to North Wilkesboro, and continue from there.

There will be sign-up sheets at the October meeting. Contact Paul Mitchell if there are questions or to get on the list.
