**There are few places on this earth as pretty as the Virginia Blue Ridge in the spring. We have put together a 2 day trip to Virginia that includes the D-Day Memorial in Bedford, the marvelous Parkway Car Collection belonging to Roger Abshire and visits to Childress and Chateau Morrisette Wineries along the way! The drive up and back will be scenic byways and include a generous portion of the beautiful Blue Ridge Parkway.**

**This trip is limited to the first 15 couples – so sign-up soon. We will start a wait list also in case some cancel out. Once you sign-up, we will provide the starting point details, hotel reservation details, etc.**

**RSVP: Don & Peggy Conover ([conov@aol.com](mailto:conov@aol.com))  
Deadline to RSVP as a participant is April 1, 2017**
