

## Queen City Corvette Care & Compassion Program

TO: ALL QCCC MEMBERS

As mentioned at our previous meetings, our ***QCCC Care & Compassion Program*** is ready to launch. The list will be comprised of QCCC Members that are ill, going into or recuperating from surgery, in the hospital, or any concern you would like to share. It will also include our family members who are serving in the U.S. Military, law enforcement, and firefighters.

This program is proposed because as you well know, QCCC is like a large family that truly cares for one another. In a group of this size, we all go through health issues and struggles in our lives where we could use support and prayers from fellow members as an act of kindness or to meet a need.

A monthly list will be created to keep QCCC Members up to date so they may send cards, call, visit at home or in the hospital, and most importantly keep these folks in our thoughts and prayers. *Care & Compassion Forms* as well as a list of those in need, will be available at each meeting. This information will be sent in a monthly email and will also soon be available right on our website. If you cannot make a meeting and want your need noted, just send an email or call me and I will email you the form.

**Please note that no name or information will be included on the list without full approval from that Member. Privacy is most important and will be respected.**

If you have any suggestions for the *Care & Compassion Program*, please send me and email or a call.

Thank You,  
Paul Schmitt
