Queen City Corvette Club (QCCC) newsletter is published monthly by volunteers and members of QCCC. Subscription rates are free for members. Guests can receive up to three months of newsletter issues, and then are removed from mailing list if they haven't participated in any QCCC events. Cost for postage and production is paid for through membership dues. Membership list and financial data are not published for guest copies. For change of address and all other QCCC inquiries, write to: **Queen City Corvette Club, P.O. Box 473072, Charlotte, NC 28247**. QCCC is a non-profit club (501-C7), which raises money for and participates with various local children's charities. Dues and donations are not tax deductible. We strive to promote exciting, safe & fun ways to enjoy our Corvettes. We hold business meetings on the second Saturday of each month. Our monthly business meeting usually incorporates a social time afterwards. Our socials are always fun and are focused around food & drink. We've had swimming parties, bar-b-ques, cookouts, day trips and weekend trips. We participate in mountain tours, holiday parades and several homecoming parades at local area high schools. We also participate with several sister Corvette clubs in car shows, drag racing, and autocrossing. After an initiation fee of \$7.00, club dues are only \$8.00 a month, per family, and are to be paid quarterly. These dues go to cover the costs of running the club, mailing newsletters, and subsidizing the costs of our meetings. Club officers serve as volunteers.

To become a member of the QUEEN CITY CORVETTE CLUB, you must own a Corvette and attend at least three (3) monthly business meetings and two (2) events within a six-month time period. Express your wishes for membership during a monthly business meeting, be voted in and begin paying dues.

The President's Message

Dear Fellow QCCC Members:

Another month is already behind us and we're heading towards another great year for the Club. The board met this past week and we continue to talk about events and outings where we can enjoy our friendships in the club plus our cars! As you can see, our calendar is filled with fun things to do. Wally and Jane have done a great job in pulling together events that I hope all will enjoy. We'll continue to have our monthly business meeting locations convenient to the north and south side of town. All meetings have a social period before we start, so come early and mingle. In fact, a good way to get to know each other is to join in the Wednesday night dinners with locations around the Charlotte area. Look for Jane's email the first of the week letting you know the restaurant of choice. You know there's always something going on with eating when it comes to this club!

Once again Vanessa and I had a fantastic time at our annual QCCC Awards Banquet. The evening began with hors d'oeuvres and followed with a wonderful meal. During the meal we sat and watched 2004 in review in pictures. Thanks to Charlie Binder, Bob Denney and John Meadows in putting that together. After dinner, our outgoing President (me) passed the gavel to the incoming President (me). The awards were interspersed with a silent auction, a 50-50 raffle and door prizes. The proceeds of the 50-50 drawing and the silent auction will go into our charity fund. I think this year we gave away more "freebies" than any other year. Thanks to the board for obtaining so many give aways. Special thanks go to Kay Weisberg and her committee in bringing this all together again. Don't miss next year's awards banquet. Jane is already soliciting for new locations as this goes to press. She's also working on a bigger and better location for the Christmas meeting. So don't change that dial and stay tuned for updates.

It looks like the St. Patrick's Day parade is a go for the club. We were worried that the parade committee would start charging for entries in the parade. Not the case for us. We were told that the QCCC is an integral part of the parade. So plan on decorating your car with green and join in. You don't have to carry a beauty queen, just come and enjoy being the center of attention. Look for emails covering the meeting times, locations etc. You can eat a hot dog at Green's and drink the green beer after the parade.

I hope Wally has recovered from the last car care day. His hospitality is overwhelming opening up his garage to a bunch of car fanatics. It's amazing how many QCCC members you can fit under a car lift. And I won't mention the oil that was spilled all over his floor. Oops, well, things happen and his floor is no worse for wear. If you haven't been to his garage, plan on attending the next car care day. It's the eighth wonder of the world.

This month we have a new meeting location and it will be at the Harley Davidson shop in Matthews. Ken Lipack owns the business and is a former QCCC member. I (along with a few others) lusted over his impeccable '65 big block until he sold it. He has graciously opened his shop up to us for our use and we much appreciate it. Look for a map in the newsletter.

If you haven't seen the QCCC website you should check it out at www.queencitycorvette.com. E.O. Oakley is doing a lot of work cleaning the site up, installing new links, pictures, etc. You should see changes on a more frequent basis thanks to his diligence. At the last meeting I asked for suggestions in what the membership would like to see on the site. Several have come back to the board and asked for a "for sale by owner" page and a "tech tip" page. Good thoughts, but what we need now is someone to be the owner of those pages. That is someone who will update that page and send them to E.O. for publishing. Do I have any takers on that?

Once again, enjoy your car and be safe. Until next time, save the wave!

ROBERT

VP REPORT

February Business Meeting:

Our February business meeting will be February 12th at the Harley Davidson of Charlotte shop located on Highway 74 in Matthews. Munchies begin at 6:00pm with the business meeting starting at 6:30pm. The shop is just North of Windsor Square, on the same side of the street just behind the International House of Pancakes and ...Hooters ...if anyone knows where that is. There is a map in the newsletter with more specific information.

This is a new site for our Club meetings. Ken Lipack has graciously extended a welcome for us to have a few meetings there. If you haven't seen Ken's store, I promise you that you will be impressed with the facility and the room where we will meet. You don't even have to bring a chair!!

The Charlotte Hog Harley Club is holding an event there earlier the same day. They are having a Chili cook-off, poker run, a hot lips contest and other events. They have invited us to join them in the fun. The start time is 11:00am for the chili cook-off. The events will end sometime between 3:00pm and 4:00pm. They have a large club membership and a lot of fun at their events. Come in your Corvette and wear the QCCC logo. Hope to see you there.

Car Care Day at the Garage Mahal: "Neither rain nor snow nor sleet" can stop a Corvette owner from enjoying their car or eating BBQ!! Peyton Morgan and twenty-six of her adult friends had a great time and saved a few dollars at Wally and Anita's Car Care Day. Despite the threatening weather, we had a great turn out and a lot of fun. The food was great...the friendships, the best. Thank you Wally and Anita for a wonderful day.

Your Next NEW Corvette: And now a word from the pseudo-legal/wishful thinking financial advice corner.... For those of you who get up to get something to eat or drink or to go to the bathroom during TV commercials, you probably missed learning about the most creative way to finance that C-6 I've ever seen.

There was a lady in the commercial that had more plaster in her arm cast than Robbie Gallman has horsepower in his ZO6. She received a legal settlement award of \$10,000 for slipping in her own bathtub and suing herself!!!

This is apparently becoming a not so uncommon type of lawsuit in the world of personal injury. There are even web sites that explain how this works, and of course direct you to a lawyer. The trick is not to break something that will prevent you from enjoying your Corvette while you recover. We're going to be watching for QCCC members wrapped in plaster driving new Corvettes now!!!

The End: Finally, from the Historic Dates section of the Corvette Black Book: "February 18, 1956: John Fitch arrives at Sebring, Florida to begin preparation for the entry of four Corvettes into the 12-hour Sebring race just five weeks away. Fitch, possibly the finest American roadster of his era, was hired by Ed Cole who was energized by Duntov's success (and the resulting publicity) following the Daytona Beach runs."

Jerry

FROM THE DRIVER'S SEAT

The year is off to a fresh start, and we already have a couple events behind us. The annual banquet was a huge success, and although I don't have a final head count, everybody seemed to be having a good time. Car care day came off well even without the cooperation of the weatherman. Forecast was for freezing rain, which, thankfully we didn't get, but the day still dissuaded some from coming. I think those that did make it had a good time, and the food was both good and plentiful.

Steve Trece of Zaino fame was there, demonstrating new products that he has and, judging from my car, the results are pretty awesome. THANKS IRIS! The new wax really adds a lot of depth to the shine.

Thanks to everybody for the award as Member of the Year. Last year was a fun year and I hope to repeat it again for this year. Thank you for your display of appreciation, and in no way do I want to diminish the gratitude that you displayed in giving it to me, but there is someone else who I need to recognize and acknowledge for their contribution last year; my wife and partner, Anita. She is the unsung hero and supporting character in all that I do for the club and in just about everything else in my life. Always working quietly behind the scenes, advising, supporting, counseling and sometimes admonishing, she is the glue that holds the pieces together. Guys, I suspect that I speak for a lot of us when I say that we step up or volunteer for something with either no regard or without asking our partners in life, but they are always there to back us up. I dare say, and certainly in our marriage, that I would not be where I am without this lady in my life. Be sure to say thanks, you owe them.

THANKS HONEY!

There are major changes to events posting for this year and how we will get information to the club. Check out the events tab at the club website. www.queencitycorvette.com. You will find links there with both registration and information about upcoming events. EO Oakley has been hard at work on the web site and this was a major accomplishment. We will no longer need to send out as many emails concerning upcoming events. You can get information with dates, times and details and register right at the web site. Pretty cool. Thanks EO. You need to check the web site often, as the events schedule does change as the year progresses.

Warm weather is coming, and the cars will be coming out soon. Until we meet again:

Keep the rubber side down.

Wally

Minutes from QCCC Meeting

SATURDAY, JANUARY 8, 2005

The January business meeting of QCCC was held at Carolinas Medical Center in Huntersville.

Officers present were: Robert Morgan, Jerry Scienski, Margo Gross, Florence Prather, Jane Burt, Eddie Burt and Wally Crawford

President, Robert Morgan called the meeting to order at 6:30 PM.

Visitors introduced by Eddie Burt were: **Dave Osborne** – 2005 Orange Coupe, **Marc Robson** – 1998 Black Coupe, **Joe Korchmar** – 1973 Orange Coupe, **Eric & Tamara Leboucher** – 1984 Bronze Coupe and 1979 Red Coupe, **Penny White and John Galop** – 2004 Yellow Convertible, **Brian Weyeneth and Teresa Patterson** – 1972 L48 Black Coupe

New members voted in: **Adrienne Kulcsar** and **Mike and Cheryl Hamby**

A motion was made, seconded and approved to accept the minutes from the December meeting.

Robert Morgan, President

- Opened the meeting and introduced new board members Jane Burt, Margo Gross and Jerry Scienski.
- Discussed the banquet, giveaways and silent auction.
- Updated club on progress E.O. Oakley has made on updating and maintaining the club website. Asked members to send any suggestions they might have for website improvement to E.O. New pictures will be added to the website soon.
- Mentioned that the club logo can be monogrammed at Monogram Magic for \$6.00. You can purchase clothing there, or bring in something of your own that you would like to monogram. Monogram Magic is located near Shomars Restaurant in Mint Hill.
- Asked members to introduce themselves and their cars to guests and new members.

Jerry Scienski, Vice President

- Discussed importance of always signing the attendance sheets at meetings and events. Every quarter he will email points so members can review their current point standings.
- Mentioned the schedule has been set for all meeting dates and the majority have pretty much been locked down for the year.
- Asked if anyone has any good corvette function slides or movies that would like to share with the club please bring to meetings being held at the Harley Davidson of Charlotte. They have great audiovisual equipment setup that would be willing to let us use at any of our meetings that are scheduled for that location.
- Mentioned plans to get a large QCCC car shot from the roof of the Harley Davidson of Charlotte location. He will be checking on someone who might be able to take the shot.

Florence Prather, Treasurer

- Reminded members to pay fourth quarter dues and banquet fee.
- Mentioned that she wrote the checks to the four charities the club sponsored in 2004.
- Gave report of current balance in account.

Wally Crawford, Automotive Events Chair

- Discussed Car Care day on 1/22/05. Reminded members to bring a lawn chair, refreshments, oil and filter. A barbeque lunch will be provided at a cost of \$4.00/per person.
- Gave details for the road trip on 2/26/05 to Richard Childress Museum and Winery. We will plan on leaving around 8:30-9:00 AM. We will visit the museum first, then tour the winery and have lunch at the Bistro.
- Briefed the club on a discounted offered to the club from Carolina Automasters in Greensboro. They will offer a discount from their rate of \$400 to \$325 if 5 or more QCCC members sign up.

Jane Burt, Social Events Chair

- Gave Kay's report on the upcoming banquet.
 - Mentioned that instead of the club doing a weekend trip to Myrtle Beach she would be putting together details for a trip to St. Augustine in May.
 - Invited the women in the club to come to Wally's car care day so that some discussion could be held on a "Ladies Day" in July.
-

A sign of the times: duh!

Minutes of the QCCC December Board meeting Thursday, January 6, 2005

The December Board meeting was held at Robert and Vanessa Morgan's home. Officers present were Robert Morgan, Jane and Eddie Burt, Wally Crawford, Margo Gross, Florence Prather and Jerry Scienski.

Guests were: Ben Horack, E.O. Oakley, Kay and Jim Weisberg.

Officer reports were as follows:

Robert:

Welcomed guests and thanked the outgoing officers Ben Horack and Kay Weisberg. Discussed the budget for the banquet and reviewed gifts that have been received for use at the upcoming the banquet on 1/15/05.

Jerry:

Has updated the membership and points roster and will post member participation points each quarter for review by members. All the meeting dates at Northcross Medical Center and Harley Davidson of Charlotte have been set and confirmed, however he still needs to confirm the August meeting at Mark & Adina Ledford's home. Jerry mentioned he hopes to publish the club inventory list in the February newsletter.

Wally:

Reported everything is a go for car care and barbecue day on 1/22/05. So far he estimates about 40 members will be attending. Wally reviewed some of the details for Richard Childress Museum and Winery road trip on 2/26/05. Discussed the possibility of putting together a questionnaire for members to complete that will provide feedback on what club members driving preferences are when taking road trips.

Florence:

Discussed 2004 and 2005 budgets and reviewed expenses for the upcoming banquet.

Eddie:

Reported our current member status is 192, with 5 members eligible for membership at the January meeting. Eddie mentioned that 33 people attended the Wednesday night dinner at Quaker Steak and Lube in Concord on 1/5/05.

Jane:

Reported that we will not be able to stay at Highland Lakes because the rates are now up to \$140/night. She is looking for another lodge similar to that and is open for suggestions. The

annual Myrtle Beach trip will be replaced by a trip to St. Augustine, FL and is set for May 20-22nd. All of the 2005 social events are set.

New Business:

E.O. Oakley reported on the website and asked Board members for input on what they would like to see the website do for members and visitors. Eddie suggested we post the membership requirements and have a For Sale section as well as a section that would give Tech Tips from members. Ben suggested we might have a bulletin board section that members could mention business they have had good or bad experiences with.

A motion was made, seconded, and approved to adjourn the meeting at 9:10 P.M.

Respectfully submitted,

Margo Gross, Secretary

Nov 12th	Northcross Medical Center, Huntersville, NC
Dec 10th	Meeting and Christmas Party – Harley Davidson of Charlotte (tentative)

**USUALLY A SOCIAL GATHERING AT 6:00 PM
WITH A BUSINESS MEETING AT 6:30 PM.**

CERTAINLY NOT FRIVOLOUS LAWSUITS DEPARTMENT

Lisa Walker told New Yorkers she was a Saudi princess named Antoinette Millard, when she was really a divorced investment banker from Buffalo who went on a spending binge. When American Express sued to recover \$951,000 in charges, Walker counter sued for \$2 million, saying Amex should have known she was acting irrationally because of anorexia, panic attacks, depression, and head tumors.

Patricia Frankhouser of Jeannette, Pa., is suing Norfolk Southern Railway over injuries she sustained when she was hit by a freight train. In her suit, she argued that the railroad should have warned her that walking along the tracks was dangerous. She also charged that the train should have yielded the right of way.

The New Z06 is Announced

Let's start with the powerful new 7L (427 ci) displacement engine that generates 500 net HP. It's called the LS7 and is a new casting with thinner pressed in cylinder liners that will contain titanium connecting rods with a dry

sump oil system that holds eight quarts of synthetic oil allowing redlines at 7K RPM. This power is transmitted through a high capacity clutch to a beefed up 6 speed transaxle.

To stop the new Z06, the front rotor's are now 14 inches with rears at 13.4 - that's an increase of 1.2 and 1.4 inches respectively. The front calipers have 6 pistons with 6 individual brake pads, the rears: 4 pistons with 4 pads. These stop the 19 inch 325/30ZR Eagle F1 Supercar runflats in the rear and 18 inch 275/35s in the front.

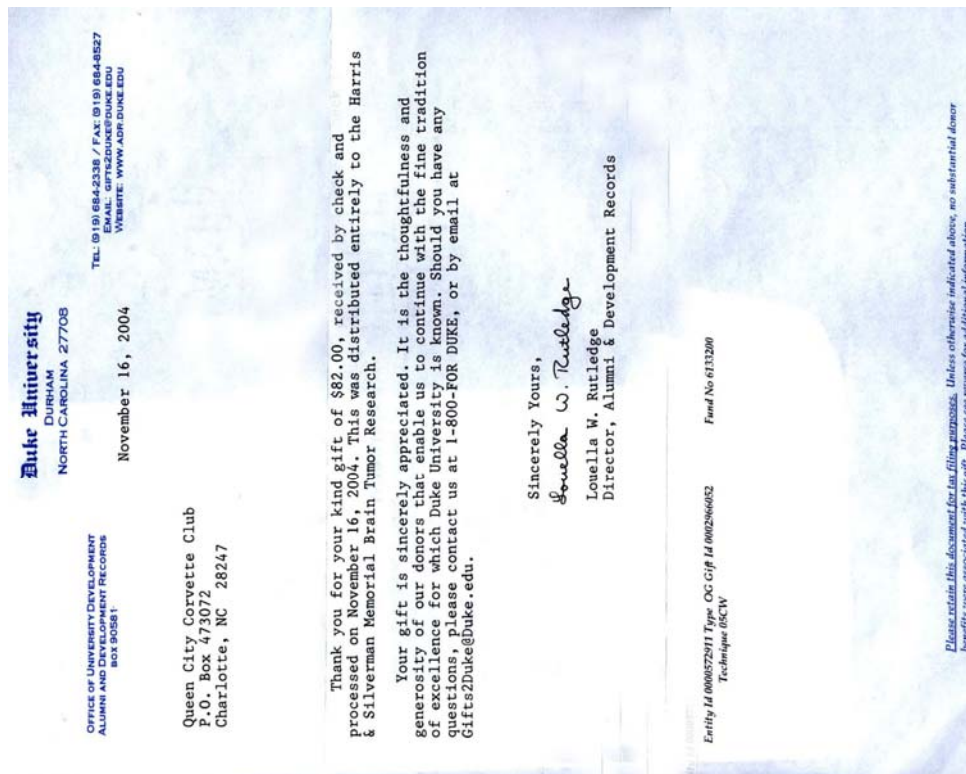

To lighten the weight, engineers replaced the steel frame with aluminum and use a magnesium front cradle. The front fenders are carbon fiber and the roof panel will not be removable.

Exterior changes are subtle: an air scoop in front of the hood, side air scoops ahead of the rear wheels, wider front and rear fenders, a large front fender vent and a taller rear spoiler.

March – end of month - Carolina Motorsports Park, Kershaw, SC. Mustang Club. Event not announced yet.

To my Gloria:

Valentines for lovers who are also best friends.
All my love goes out to you this day!
Love is something different from desire:
Even, silent, peaceful as the sky.
Nor is love interested in means or ends.
There are no selfish needs that it must weigh.
Instead, love's plenitude itself inspires,
Needing neither cause nor reason why.
Each day my thoughts enchanted with you lie.
Love forever...**Jerry**

E.O. Oakley tells of great deal from Pep Boys

They have a 2005 calendar for sale. The proceeds goes to MADD. Great thing is that the calendar has over \$300 worth of coupons and discounts. Major attraction for QCCC members is the coupon for Mobil 1. Buy 3 quarts - Get 3 quarts Free. Great deal! You can buy the calendar and use the coupon at the same time.

A Winter Blast on Car Care Day

The weather kept a few Corvettes from making the scene to Wally's Garage Mahal. However those that did brave the elements (some arrived with ice covering their front - see front page silver C5) found Wally hard at work changing the oil and performing various checks on members Vettes. Steve Trece had setup his Zaino products display and with the help of Iris polished both Wally's and Phil Smith's cars. Anita arranged for the BBQ that the hardy QCCC'ers enjoyed along with the hospitality.
