Queen City Corvette Club (QCCC) newsletter is published monthly by volunteers and members of QCCC. Subscription rates are free for members. Guests can receive up to three months of newsletter issues, and then are removed from mailing list if they haven't participated in any QCCC events. Cost for postage and production is paid for through membership dues. Membership list and financial data are not published for guest copies. For change of address and all other QCCC inquiries, write to: **Queen City Corvette Club, P.O. Box 473072, Charlotte, NC 28247**. QCCC is a non-profit club (501-C7), which raises money for and participates with various local children's charities. Dues and donations are not tax deductible. We strive to promote exciting, safe & fun ways to enjoy our Corvettes. We hold business meetings on the second Saturday of each month. Our monthly business meeting usually incorporates a social time afterwards. Our socials are always fun and are focused around food & drink. We've had swimming parties, bar-b-ques, cookouts, day trips and weekend trips. We participate in mountain tours, holiday parades and several homecoming parades at local area high schools. We also participate with several sister Corvette clubs in car shows, drag racing, and autocrossing. After an initiation fee of \$7.00, club dues are only \$8.00 a month, per family, and are to be paid quarterly. These dues go to cover the costs of running the club, mailing newsletters, and subsidizing the costs of our meetings. Club officers serve as volunteers.

To become a member of the QUEEN CITY CORVETTE CLUB, you must own a Corvette and attend at least three (3) monthly business meetings and two (2) events within a six-month time period. Express your wishes for membership during a monthly business meeting, be voted in and begin paying dues.

The President's Message

Dear Fellow QCCC Members:

The June business meeting is my favorite meeting to attend. It's evident that the membership feels the same way too. The weather held out and we conducted the meeting without a drop of rain falling. Last year we had a quick spring shower so you never know what the weather is going to be like in the spring. Year after year Eddie and Jane share their home and put a lot of hard work into the evening which always makes it successful. Thank you to Eddie and Jane Burt for their hospitality! It's also exciting to see so many members in attendance and equally thrilling to see so many Corvettes in one place. Eddie's neighbors must think there's a car show at his house every year!

We also had great weather this past weekend for our poker run. With a few minor wrong turns (me included!) the cruise went smoothly and we added to our charity fund with the poker hands. Wally and I played a little catch up with the group heading up the mountain on the second leg and I think Wally is still looking in his rear view mirror to see if a silver coupe is close to his bumper. Anita backed us down on the challenge so the jury is still out on who out drove the other. Thanks to Wally for staging the event!

I can't believe that we've already been through the first half of the year. We've had a lot of visitors in the first two quarters and attendance to meetings seems to be up. Even with new members getting voted in, our membership is holding at a pretty constant level. Each meeting it appears we vote more people in. We're up slightly from last year at around 200(+/-) members. With a club of our size, it's important that visitors and new members feel welcome. I hope that each member will take a moment at our business meetings to introduce themselves to visitors and "newbies" (new members). Our nametags are great in remembering names and Charlie and Bob do a great job in the newsletter with pictures of our new members. Don't forget to come early to the meetings and enjoy the social time.

The Speedway Club is conducting its annual Corvettes on the track party July 8th. The event includes 10 laps around the speedway, dinner and entertainment. As I understand there are still openings so check out our website at www.queencitycorvette.com for the registration form. Another July event is Wally's car care day on July 23rd. Bring your car, your oil and filter to his place for oil changes. His lift makes a quick and safe job out of changing your oil.

I'll see you at our next meeting at Parks Chevrolet in Huntersville. Until then, save the wave!

VP REPORT

July Business Meeting:

Our July Business Meeting will be July 9 at Parks Chevrolet on the Lake in Huntersville. The showroom is on Highway 21 off exit 25 if you are coming from I-77 at the corner of Statesville and Stumptown Roads. As always, there is a trusty map elsewhere in the newsletter. We will meet in the showroom. Parks is very excited to have us as their guests. They will clear the showroom of cars so we will have plenty of space. Munchies will start at 6:00pm with the Business Meeting at 6:30pm. **You will need to bring your chairs and non-adult beverages.** I'm excited to be meeting at Parks. In the past we have had several excellent car shows at their Charlotte location. Hopefully we can renew that relationship. Also, we need a larger venue in the North because our Club membership continues to grow....way to go Eddie & Jane!!!

Eddie & Jane's Annual BBQ:

As in the years past, this event turned out to be one of the most fun and certainly best attended meetings we have. Master Chef Eddie was in perfect form and provided the Club with the best BBQ we get all year. This meeting always brings back folks who we don't get to see as often as we'd like to and for some reason, a larger than usual group of perspective members. It is also fun to see how many Corvette lovers we have below the age of five. The BBQ is a great family event. Many many thanks to Eddie and Jane for hosting this party and to all those who brought deserts and helped me to gain several pounds.

National Guard Open House:

I'm sure that I speak for everyone who was able to attend the National Guard's Open House when I say that I was moved and honored to be there. Here we were, living in a free country, driving and showing the best cars ever built and the Guard families were thanking us. Robert expressed our feeling best in an e-mail about the event saying how grateful he was to them for all they do and all of the sacrifices they make.

We had a big turnout with several of our member's bringing the older cars. The older cars (and of course the BLUE ones!!!) were a special treat for their Guard families. It was fun to let the Guard families, especially the kids, sit in the Corvettes while Mom & Dad took pictures. When I was in the service and my kids were small, we took pictures of our guys on military equipment, fire engines and cars that we treasure still. I'd like to think that we provided that same level of happiness to these wonderful folks.

Pseudo-Doctor

Here we go again with more sage advise from our "pseudo-doctor department": European researchers recently announced that shining a combination of ultraviolet (UV) A and B light and visible light into nasal cavities can "significantly" reduce sneezing, nasal discharge (YUK!) and nasal itching among patients who suffer from allergies. Significant improvement was observed in those patients who received light therapy three times per week. Therefore, I make a motion that the Director of Automotive Events schedule road trips on sunny days where we can "blow by some Porches" and stick our noses up into the air to get the sun light. And Jane, as long as our noses and therefore our taste buds are really tuned-up.....let's eat!!!

Worthless Trivia & Membership Benefits:

On behalf of the Queen City Corvette Club, I want to officially thank Linda Meadows' father, who, while cleaning out stuff from his home as he moves in with John and Linda, gave John all of the cutting oil John will ever need for the rest of his life and then some. During dinner the other night, John told me that he was happy to share his cutting oil with any QCCC member who might need any. What a guy!!!!

Final Thoughts:

And now for your monthly dose of Corvette history straight out of the Corvette Black Book:

July 31, 1981: the St. Louis Corvette assembly plant builds its last Corvette, VIN #1G1AY8764BS431611, a beige coupe.

July 2, 1992: Bowling Green builds the 1,000,000 Corvette, a white convertible. Chevrolet throws a birthday bash in Detroit five weeks later.

Jerry

Remember, the only scent sweeter than a bouquet of flowers on a special day to a special someone is the smell of Eddie's BBQ right after a huge dose of sunshine up your nose while passing a Porsche.

FROM THE DRIVER'S SEAT

Another month come and gone, and the big event of the month had to be the BBQ at Eddie's and Jane's. This is always a much anticipated event and must be considered one of the highlights of the year. Eddie and Jane never disappoint and the event is always a success. This year was no different.

Thanks to Jody Austin and Charlie and Iris Binder the poker run was a success. Turn out was light, but those who participated all said they liked the route and enjoyed the drive. We have Jody to thank for the original course and it included everything from flat farmland to some very interesting mountain roads. Robert Morgan and I wound up traveling together and enjoyed ourselves in the twistys.

A picnic at Lake Norman followed the poker run and Charlie and Iris set us up with a reserved pavilion complete with tables and grills.

John & Dianne Liebe were the big cash winners of the poker run, and they chose to give back a very large part of their winnings which was both very generous and very much appreciated. We raised a total of \$155.00 for our charity fund.

We have parades to do on the 4th, with a total of three parades to provide cars for. We have two of the parades covered, but still need cars for the Hickory Grove parade.

We also have our summer car care day on July 23 at our house. The garage is air - conditioned and we will push the cars through as quickly as possible so that we can get everybody taken care of. The event is pretty much limited to oil changes for that reason. Bring your own oil and filters. We will supply the lift, tools, and dispose of the oil. I know that Jane and her social committee is planning food for all and the ladies are invited to attend as well. We do ask for a donation to cover the cost of lunch, with all the profits going to the charity fund. Be sure to bring your folding chairs.

Until then, keep the rubber side down.

Wally

Minutes from QCCC Meeting

SATURDAY, June 11, 2005

The June business meeting of QCCC was held at the home of Eddie and Jane Burt.

Officers present were: Robert Morgan, Jerry Scienski, Margo Gross, Florence Prather, Jane Burt, Eddie Burt and Wally Crawford

President, Robert Morgan called the meeting to order at 6:50 PM.

Visitors were: Paul & Ritz Schulz, Jim & Martha Vaughn, Ira & Beverley Powell, Mary Kay & Dennis Rowell and son Travis, Mario & Laura Giamatti, Richard & Linda Craig, Alan & Elaine Crusan, Rick Swartz, Florin Nedelciuc and Dan Goldbert

The minutes from the previous meeting had not been published and therefore corrections and additions could not be voted on.

Robert Morgan, President

- Welcomed members and guests
- Introduced our newest member, Christopher William Artis.
- Recapped the Diamond Chevrolet Auto Fair.
- Talked about the Air National Guard Family Day. Showed the club the Appreciation plaque that was presented to QCCC for gifts given to selected military families at Christmas.
- Summarized the Coca Cola 600
- Discussed the event being held at the Speedway Club on July 8th. Cost of this event is \$125 and will include 10 laps behind a pace car, dinner and dancing.

Jerry Scienski, Vice President

- Recapped the event from last year at the Speedway Club saying it was great fun and there were about 65 cars. Some of the participants came from as far as Pittsburgh. Highly recommends the event and said every part of the evening was great.
- Next business meeting will be held at Parks Chevrolet in Huntersville. They have made plans to clear out the showroom for the club to hold the meeting.
- The August meeting will be cookout at Mark and Adina Ledford's home.
- September meeting will be at Charlotte Harley Davidson and hopefully at that meeting we will be able to get a wide angle group picture of all the member cars which will be taken from the rooftop. Everyone is encouraged to attend this meeting.

Florence Prather, Treasurer

- Gave treasury report.
- Reminded members that 2nd quarter dues are due.

Wally Crawford, Automotive Events Chair

- Mentioned that upcoming Poker Run on June 25th will cover 125 miles and should last approximately 2 ½ hrs. The run will begin at route 150 (Queens Landing) with the first cars beginning at 10:00 AM. The Poker Run will end at Duke State Park. All participants should bring a picnic lunch, chairs and nonalcoholic beverages.

Jane Burt, Social Events Chair

- Talked about Car Care Day on Saturday July 23rd. Ladies are encouraged to come. While the guys are changing oil the ladies will have a cookie/dessert exchange outside.
- Recapped the St. Augustine trip, 30 cars participated and everyone had a terrific time.
- The Lake Lure trip is scheduled for November 4-6 and information for the weekend is posted on the QCCC website.

Eddie Burt, Membership Chair

- Thanked all the guests for coming and introduced each of them.
- Updated the club on guests who will be eligible for membership at tonight's meeting.
- As of tonight membership is 205.
- Tonight's meeting had attendance of 150.
- Gave a brief history of the club. Mentioned that the club began in 1968. The original club interest was primarily racing and has now evolved into a more social club with lots of great outings. Some of the longer standing members in the club are: Gary Artis (14 yrs); Jim & Margaret Campbell (13 yrs), Fred & Caroline Lentz (12 yrs), Wendy & Walt Krupowicz (10 yrs), Eddie & Jane Burt (10 yrs).
- Introduced Rick Swartz who briefed the club on Johnny O'Connell's Corvette Camp. They will be holding a track day and a race day. These events will have more of a country club flavor than other tracks. Instructions will be given on how best to drive your corvette. Information can be found at corvettecamp.com

The business meeting was adjourned at 7:40 PM.

☺ *Kudos to Eddie and Jane for the GREAT Barbeque* ☺

MINUTES OF THE QCCC MEETING SATURDAY, May 14, 2005

The May business meeting of QCCC was held at Diamond Chevrolet.

Officers present were: Robert Morgan, Jerry Scienski and Wally Crawford

President, Robert Morgan called the meeting to order at 3:00 PM.

A motion was made and seconded to approve and accept the minutes from the April meeting.

New members voted in were **Marc Curtis and Sarah Holland**, *2005 Daytona Orange convertible*

Robert Morgan, President

- Welcomed visitors to the meeting and thanked Diamond Chevrolet for hosting the car show.
- Held the drawing for the 50/50 raffle of \$60 which was won by Pat Bonino.
- Announced the winners of the three \$50 gift certificates to Home Depot. Winners were: Linda Meadows, Linda Kish and Bill Elko
- Presented Susie Black with the Dealer's Choice trophy
- Reminded those going on the St. Augustine trip to be sure and bring their two way radios.
- Welcomed back Caroline Lentz. Caroline thanked the club for all the good wishes and wanted everyone to know that she was injured while wrestling an alligator and not falling from a footstool as had been rumored!

Jerry Scienski, Vice President

- Asked all new visitors and prospective members to stand and introduce themselves.
- Reminded everyone that the June meeting will be a barbeque held at Jane and Eddie Burt's home and is one not to be missed. Directions can be found in the newsletter. Everyone is to bring chairs, drinks and canopies for shade or rain.
- The July meeting scheduled for Northcross Medical Center has been changed to Parks Chevrolet in Huntersville.
- Mentioned that the Air National Guard is hosting a Family Day on June 5th and would like to have the club join them in appreciation for the QCCC members giving so generously to some of their families at Christmas.

Wally Crawford, Automotive Events Chair

- Mentioned that the information packets for the St. Augustine trip will be given out at the rest area where the trip will begin.
- The Coca Cola 600 will be held on the May 29th and there will be 15 cars participating. Bob Denney will email information on this event.

Dave Gregorino gave a brief report on an upcoming event being held July 8th at the Speedway Club. The cost for this event will be \$125 and will include 10 laps around the track, dinner for two and band entertainment. Registration can be done through Lowesspeedway.com. The QCCC website will have information on this event posted soon.

The meeting was adjourned at 3:30 P.M.

☺ *Kudos to Sue Stickels for taking the minutes for this meeting while Margo was off playing in New Orleans!*. ☺

With the day being slightly overcast and some threats of rain, fifteen Corvettes met at a filling station on Highway 29 in Concord and paraded into the infield of Lowe's Motor Speedway.

Cars were parked on the entrance to pit road and moved out about 3:00PM to parade the various dignitaries. To the surprise of everyone, the lead car had Senate Majority Leader Bill Frist (see cover photo) and his wife. Leonard Nimoy (Cmdr. Spock) beamed down to join us as well as executives from Coca Cola, the sponsor of the race.

Poker Run - A Cops Magnet by Bob Denney

Just finished this year's version of that famous Cop Magnet's northern Poker Run. I know that our Cop Magnet was not on this run but, I thought that it might be advisable to take my **"Get out of Jail"** card.

Wally gathered together 16 gleaming steeds for this years run. Boy were they a sight... all clean and polished to a fair the well.

I must digress a little... Several weeks ago I told Wally that I would volunteer to punch cards; however there was one stipulation... I needed an easy chair and a shade tree to sit it under. Well good old Gramps done his usual best... he put a young tree in the front yard of Evernham's Race Shop for me and Doodles.

Anyway, having been dually sworn in and accounted for ... yep paid the money... We climbed into the saddle... What do you know NO COPS. At least this run was starting off like a Gramps program. Down to the traffic light, left turn, left turn, right turn, left turn, well you get the picture... Finally I arrive at

my post. Sit up "under the tree"... in the shade... now folks it don't get no better than this. Cars start arriving... "give me #7", give me 21... I will take 3 #15's... and so on... Finally the end arrived... yep that little old white bearded driver so lively and quick told me "you done good" and you are relieved to proceed. So into the saddle we climbed, and out to Watermelon Rd we went. A left then a right put us on Old Mountain road which leads to

Sulphur Springs Rd and that leads to Brushy Mountain Rd. Folks these are true Corvette roads. Up a hill, down the hill, tight turn right, jump on the gas... hit the brakes ... quick left up the hill past the water fall and the beautifully manicured lawn with the babbling brook thru the front yard. It all brought back to me all the beautiful views that these roads afforded. This is Gods Country... Finally we break out of the over hill and dale stuff and make our turn on a super slab. Down the hill off on NC 16 to the next check point. Well what do you suppose I saw... yep a whole bunch of gleaming Vettes all getting their holes punched.

Pulling back on the road for the down hill leg of “The Run” and moving smoothly over a smooth straight road, my smoky detector started its familiar ring. Yep you guessed it... Our famous Cop Magnet still holds sway even when he is not a participant. I just held up my “Get of Jail” card and the Smokey passed me with out batting an eye.

A few more rights and lefts and another check point, then some more rights and lefts and we arrived at “lunch”. Well not right a way... cause everyone was not here yet. That little old driver so lively and quick even fed me... can you imagine that...? Having not won the pot of gold...Doodles and I bade a fond farewell to a bunch of lovely people who I like to call friends... and they certainly are...

Great BBQ And Good Times

Eddie and Jane Burt were gracious hosts to the QCCC Club by having the June Business Meeting and BBQ dinner at their home. Eddie lines up scores of pork butts and prepares them for his smoker. He and Jane put on a great party and it is always the most popular and most well attended meeting of the year.

Amanda Drive Has Vettes Lined Up On Both Sides

QCCC Joins Air National Guard For A Day

By Chris Patton

The gang had a great time there except for the heat. I have never been thanked so many times for bringing the cars to an event, I am sure that all that attended would say the same. Everybody there was extremely nice and very appreciative. After all the cars were parked one of the members of the

Charlotte Fire Department climbed the ladder truck that was on display with Bob Denney's camera and took a group shot of all the cars and one of each car alone from the height of about 100+ feet.

After lunch Robert accepted a plaque on behalf of the club. Most members had left after the presentation with the exception of Dave Gregorino, Mark Curtis, Melissa and myself. I asked LtCol. Larry Biggers and Maj. Jerry Woods if I could get some pictures of the cars

with the aircraft, as you can tell they said yes. They were very flattered when we asked if they would do us the honor of posing with our cars and the aircraft. They gave us all the time we wanted, even helping us align the

cars. LtCol. Biggers and Maj. Woods pretty much fell in love with Dave's '57, both of them had their picture made with his '57.

LtCol. Biggers said he was retiring soon and was going to buy a Corvette as soon as possible. LtCol. Biggers also said he wished more cars would have stayed so they could have gotten pictures if they wanted.

This was a fabulous event for a very good cause and we were treated like royalty. Our small gesture of showing the cars we love pales in comparison to the gesture they grant us by serving our great country.
