Queen City Corvette Club (QCCC) newsletter is published monthly by volunteers and members of QCCC. Subscription rates are free for members. Guests can receive up to three months of newsletter issues, and then are removed from mailing list if they haven't participated in any QCCC events. Cost for postage and production is paid for through membership dues. Membership list and financial data are not published for guest copies. For change of address and all other QCCC inquiries, write to: **Queen City Corvette Club, PO Box 77153 Charlotte, NC 28271-7002**. QCCC is a non-profit club (501-C7), which raises money for and participates with various local children's charities. Dues and donations are not tax deductible. We strive to promote exciting, safe & fun ways to enjoy our Corvettes. We hold business meetings on the second Saturday of each month. Our monthly business meeting usually incorporates a social time afterwards. Our socials are always fun and are focused around food & drink. We've had swimming parties, bar-b-ques, cookouts, day trips and weekend trips. We participate in mountain tours, holiday parades and several homecoming parades at local area high schools. We also participate with several sister Corvette clubs in car shows, drag racing, and autocrossing. After an initiation fee of \$7.00, club dues are only \$8.00 a month, per family, and are to be paid quarterly. These dues go to cover the costs of running the club, mailing newsletters, and subsidizing the costs of our meetings. Club officers serve as volunteers.

To become a member of the QUEEN CITY CORVETTE CLUB, you must own a Corvette and attend at least three (3) monthly business meetings and two (2) events within a six-month time period. Express your wishes for membership during a monthly business meeting, be voted in and begin paying dues.

The President's Message

August started hot, ended hot, and had a lot of nothing but hot weather in between. It was only a couple of months ago we were all bemoaning the fact we were looking forward to the warm weather but this past month has been miserable.

Our monthly business meeting for August was held at the Auto Barn in Concord. The last time I visited with the good folks at the Auto Barn it was in April and the facility was nice and cool. This month it was hot and steamy. Working with Auto Barn contact Tom Marshall, VP Boyd Kurt quickly made an audible call to move our business meeting from the designated gathering room to the air conditioned car museum. Amid lots of classic cars of various vintages, along with a few Corvettes, we were able to conduct our meeting. I think my personal thermostat had broken, as I never did cool down until we got to Punchy's Diner afterward and enjoyed some cool drinks and good food. Thanks again go to the Auto Barn (they can't control the weather either) and to all the QCCC members who helped put the chairs away after our meeting.

Next stop on the hot trail was a road trip to Lake Lure. Saturday, 8/18, our caravan of Corvettes left the designated meeting spot promptly at 10:30 a.m. with convertible tops down and coupe panels out with the thought in mind of a cool trip to the mountain area of Lake Lure and Chimney Rock. After a great lunch at Larkin's on the Lake, we re-convened to our cars only to find the hot temperatures followed us up the mountain! While some members chose to stay at the lake and go for the boat tour; others headed to Hendersonville seeking some relief. While Margo decided to do some shopping at the quaint merchants who line Main Street, I decided the best route was to duck into the closest pub and cool down with the locals. After about an hour and half it was time to head back down the road and home. It ended up being a nice day and a good drive, putting close to 300 miles on the Corvette. Thanks to social director Jane Burt for making the arrangements with Larkin's and to automotive director Chris Patton for getting everyone to our destination safe and sound.

Thanks also to our good friends at Reid's Fine Foods for their donation to the charity fund. We had a good turnout for our car show on Saturday, 8/25 right across the street from Reid's in downtown Charlotte. The participating members weren't complaining about the heat as we had plenty of shade and could even duck into the store for some welcomed air conditioning and lunch. Congratulations to Fred and Gloria McCoy for being the first members with a new 2008 C6 coupe with the new LS3 engine. QCCC always has a way of being able to share with all its members the latest and greatest from Corvette engineering. Look for more new C6's to pop up in the club down the road.

Additional thoughts

Next month's business meeting is tied into a scheduled poker run before hand. If you have never done one of these road events, I highly encourage everyone to come and join in the fun. I bet even Jerry and Gloria Scienski will not miss this event and prove to everyone that last year was just one of those "fluke events". VP Boyd has even lined up a car show at Autorama in Monroe in the morning for those that want to make a full day of it. Look for more details on this event elsewhere in the newsletter. Also look for more details on Auto Fair, the beach trip, the air show and other events to take the QCCC members into the fall season. I look forward to seeing everyone on Sept. 8th and taking part in the fun.

In the meantime, everyone be safe and save the wave.

Q. Gross

VP REPORT

Thanks to our host Tom Marshall at the Auto Barn Classic Cars. The weather was a little warm but the photo wall gave us some great pictures of our cars. We had over 72 members at this meeting. We will go back but in cooler weather. Punchy's Diner was also a treat. The food was good and the air conditioning felt great.

I wish it were mine!!!!!!!!!!

Now for September. The 8th will be our busiest day and I hope everyone will take advantage of some great events. It starts at Motorama Classic Car Show in Monroe, NC at 10:00AM. Then at 2:30PM we start the Red Neck Poker Run from Motorama to the Ledford's home in York, SC for a Hawaiian Theme Picnic and old fashion Hot Dog dinner and all of the other food items that go with Hot Dogs. The prices will be reasonable but for those who want to bring their own food, feel free to do so. The Picnic starts at 5:00PM with the business meeting at 6:30PM. Maps are on the web site and elsewhere in this newsletter. The Poker run supports our charity fund and rewards the best poker hand with 1/2 of the \$ collected. You will see some beautiful country and some great roads. Don't miss this great day of fun.

Our October meeting will be held after the Burns Chevrolet Car show October 13th in Rock Hill, SC. Lets see if we can break the 63 car record. More in the automotive report and the October newsletter.

Now for an update on the American Le Mans Series: We hope you saw the 3rd Corvette driven by the historic team of Ron Fellows and Andy Pilgrim on the August 26th race. September 1st is the race at Detroit and of course the October 6th race at Atlanta. I sure hope Aston Martin will be at the Petit Le Mans race. That race is October 6th and the "Intruder" will be in site #2 between turns 5&6. Drop by and sit in the shade. A shuttle service runs every 10 minutes from the front to the back of the race track.

2007 Points List

Points will be given for the following events (Check the web site for times and place):

Event Name	Date
Reid's Car Show	8-25-2007
Mathews Alive Parade	9-3-2007

Office Hours By Appointment

QCCC Board Meeting Minutes Tuesday August 6, 2007

Call to Order 7:00 pm

Officers Present: Q Gross, Chris Patton, Melissa Patton, Eddie Burt, Jane Burt, Boyd Kurt.

Vice President Report: Boyd Kurt

- Review of final meetings and locations
- Review of plans for Motorama Car show as starting point for the Poker Run to the Ledford's home for the September Meeting. Reserved spot for QCCC and lunch will be served. Around 2:30 depart for Poker Run, most of run will be on secondary state roads. Volunteers for hole punching will be set up by Boyd. Chris will announce winner during meeting. Chris to provide punch tickets. Boyd checking into a caterer for the event and will review details at next meeting. Hand of poker will be \$5 each or 5 cards for \$20. Boyd to make a flyer for the newsletter and calendar. Board voted to allow Boyd to pursue caterer.

Social Director: Jane Burt

- Quotes for Hams for the Christmas Party will be done. Spiral Cut Hams will be supplied by the Club. A committee will be formed to assist with the heating and serving of the Hams.
- August 18th, Drive to Eat to Lake Lure for lunch at Larkins on the Lake. Cost is \$12.50 per person including tip. Pay Jane in advance via sign up sheet in cash with exact change. No refunds or exchanges.

Membership Director: Eddie Burt

- 231 members, 127 families, and potential for 2-3 new members to be voted in at August meetng.
- Advertising, Eddie still soliciting vendors for the website. Potential for 3 more coming, goal is to have 12 right now we are at 10 currently paid and advertising. Currently have raised \$880 through the advertising program.

Automotive Director: Chris Patton

Upcoming Events:

- Oakboro was rained out again this year. Chris asked if Board thought it was an event that we wanted to pursue again. Board says that the turn out by members was too great not to. Suggested having members that can go out earlier so there is not an issue over parking.
- Sunday July 22, 2007 and August 4th, 2007 Ice Cream Socials have been good in attendance. Members asking us to plan more. Bob Denney has suggestion for next event. Melissa to plan and follow up..
- Saturday August 18th lunch at Larkins on the Lake. Directions are handled. Meeting at Hillbilly's BBQ at 10:00 off I-85 at exit 23. Groups will be formed and rally out around

10:30. Money to pay for lunch will need to be brought to the meeting on August 11th. Price is \$12.50 per person. Jane to send email..

- September 15th and 16th Auto Fair. Bart Richards to be secondary contact. August 9th is meeting for organizers. Sign up sheets will be at next meeting. Bart will be available near the speedway for those that do not pick up tickets at meeting..
- August 25th Green's Market Car show from 9:00 to 12:30. It is called the Speedy Market. Advertising has already started. Sign up sheets for this event will be available at next meeting.
- Labor Day Parade in Matthews, need 7 cars. A volunteer will be needed to carry Mayor Pat McCrory. Boyd Kurt will carry the Mayor. Sign up sheet at meeting and details to follow.
- Pawley's Island trip, route has been set and directions will be done. As of last week we have 22 cars going. Rally point will be Motorama and planning on leaving around 10:00 am.
- Thunderbirds air show will be October 6 and 7 at Pope Air force Base. Sign up sheet will be at meeting. Preference for members that attended the Blue Angels will have first sign up option. Block of rooms will be set up at Hampton Inn in Fayetteville NC. Greg Tilley is air force contact. For security will need Names, Car Types, and plate numbers for all attending.
- Train ride October 20th. Details to follow at meeting and a sign up sheet.
- October Car Show most likely at Burn's Chevrolet
- Friday August 24th the Kannapolis Intimidators Game. Sign up sheets at meeting.
- Possible Zaino day in October and possibly a car care day in October at Katzman's garage.

Treasurer : Linda Meadows

- Review of budget and checking account.
- T-Shirt Orders, there are still some that have not been supplied to purchaser and Chris will finalize information once we get final approval from supplier to make less shirts than the 51 minimum required.
- Car Care Day Charity funds in cash will be turned over to Treasurer at next meeting in which she is in attendance.

President: Q Gross, no new business.

Motion to adjourn and seconded at 8:00 PM

A Corvette Enthusiast

Are you a Corvette enthusiast? Now that may seem like a strange question to anyone reading this newsletter. With almost a 100% certainty, you are a member of the QCCC, own a Corvette and have a few pieces of clothing adorned with Corvette logos. But, there is a difference between an enthusiast and someone who merely owns and drives a Corvette. The above mentioned check marks aren't quite enough to push you past the owner category into true enthusiast territory. You should also have a love of the car, its history, and its impact on American culture. Somewhere between the minimum status of those that buy and drive a Corvette because it's the new "in-car" and those that let Corvettes rule their life (you know who you are) lies a level of "Corvettness" that our finances and time will allow.

So, to get everyone into an introspective mood, let's develop a compilation of those things that increase our immersion into the Corvette sport and hobby and move us deeper into the enthusiast realm. Do you visit www.corvetteforum.com and www.corvetteactioncenter.com every day to keep up with the latest Corvette happenings? Do you collect memorabilia such as posters, pins, patches, sales brochures, advertising material, etc.? Do you have die-cast models of any, or all scales of every Corvette made? Are you a member of any other Corvette organization like the National Corvette Restorers Society (NCRS), the National Corvette Museum (NCM), the National Council of Corvette Clubs (NCCC), or even another club? Do you watch and care how the C6R Corvettes are doing in the ALMS race series? Do you have five or more Corvette reference books on your bookshelf and subscribe to two or more Corvette magazines? Do you buy your Corvette Christmas presents? And finally, do you read the want ads daily to see if that one special Corvette you've always wanted appears and hope you can convince your wife you really can afford it?

How many of these incurable vices must you endure before that personal goal of relaxing in that comfort zone of an enthusiast is achieved? Only you can answer that question and begin living life with a contented demeanor. To sum it up, look outside the local club or region, and see what is transpiring in the Corvette community and then join in and enjoy the Corvette experience.

Moral of the story; don't just own a Corvette, adopt it, live it, and above all, understand it and its legacy.

Save the Wave
Paul Mariano

August Meeting at the Auto Barn in Concord

The Auto Barn is a great place with lots of fabulous cars that included NASCAR racers, woody wagons, hot rods, sports cars, classics and antiques - something for everyone!

Car Care Day July, 07

Sorry for my delay in getting this written and in the newsletter, but life is full for all of us.

The Crawford family once again enjoyed hosting car care day for Queen City Corvette Club. This activity is something we began doing under my tenure as Automotive Director and it has become a family activity for us that we look forward to twice a year.

This year, in addition to doing the normal oil changes and general check overs, we hosted three clinics for care and feeding of the C5 Corvette. We chose the C5 because (1) it is the most common car in the club, (2) its age demands that it needs more attention than the newer C6, and, (3) we had the most questions and request for that model. I am open to doing clinics on other models, and if I don't feel qualified to conduct the clinic, then we will try to find someone who can. Email me with your requests, and we will try to address those needs.

Bruce led off the morning with a repeat of his clinic on rebuilding C5 headlight motors. We used Anita's car as a demo and found a couple interesting things in the process. Those who have been around the Vette for a while know that back in the day, the Corvette assembly line had a reputation for not building two cars quite alike. We found that that is still the case. My 97, with original headlights, had two different gear box mounting configurations and both of those were unlike the 97 that Bruce had previously done. For that reason, a job that should have taken an hour and a half wound up taking twice as long. The job was completed though and both headlights work fine now.

Crawfords' Son Michael Leaving His Wedding

Lunch was catered by me two darling daughters-in-law and my wife. They made a ton of food, and in true QCCC fashion, it all disappeared. Not having left overs is a wonderful thing.

In the afternoon, we did a brake clinic and Ben Horack volunteered his car for new pads and front rotors. This job was pretty much a slam dunk (no net) and the whole thing took about an hour.

Once again a huge THANK YOU to Anita, Christine, and Jennifer for spending the morning in the kitchen and on the grill and making all the food and a huge THANK YOU to my son Michael for taking care of all the oil changes and routine maintenance for all the cars. Thanks also to Robert Morgan for stepping in and helping so that Michael could take a break.

We try to do the car care days about every six months and the next one will be here in January. Between now and then, I would like to here from members who have an interest in learning to perform various maintenance items on their cars. We will try to schedule clinics accordingly.

Wally

Happy Anniversary National Corvette Museum.

Well, not just yet, but you can never be too early. Especially if you want to attend the festivities in 2009 and need advance planning and hotel reservations. The NCM celebrates 15 years and plans are already being formed for national caravans like in 2003. Over 8,000 Corvettes congregated in Bowling Green that year to celebrate the 50th Anniversary of the Corvette. More could participate for this event. The dates are September 3-5, 2009 with the various caravans leaving early to arrive on that start date. The Carolinas' caravan will depart from Lowe's Motor Speedway with an exact date yet to be picked. Visit www.corvettecaravan.com for all the details and breaking news. Registration is now open for \$25.00 per person.

The museum has decided to begin construction of the expansion project through bond issues. The fund raising effort was not keeping up with the rapid increase in building costs and the bond route made financial sense. Many activities are being organized across the country to help retire the bonds as quickly as possible. If you find one to your liking, support it to the extent you can. You won't be sorry.

Visit www.corvettemuseum.com often and keep up with all the activities transpiring at the NCM and various venues around the country.

Paul Mariano
NCM Life Member

Walt Krupowicz and Wade Stickles sent in the following to share and is very appropriate to Paul's article above. It's a link to a web site call Vette Tube that shows various clips of videos of Corvettes sent in by members and of note features a video of the expansion plans for the Corvette Museum.

September Meeting And Picnic At Mark and Adina Ledford's House 739 Fawn Forest Lane York SC 803-628-5342

Reminder Bring Chairs and Favorite Beverages
Arrive 4:00 PM - Food Starts 4:30 PM -Meeting After Dinner 6:30 PM
(See page 19 for Details)

Directions to The Ledford's: You are encouraged to take the Poker Run, starting at 2:30 PM from Motorama Classic Cars of Monroe NC, however the alternate route is:

- Take Route I-77 South to Exit 90 – Carowinds Blvd.
- From exit ramp, make Right turn onto Carowinds Blvd.
- Follow Carowinds Blvd. to Route 49 (approx. 1.5 miles)
- Make a Left turn onto Route 49
- Route 49 South - Cross over Lake Wylie on the Buster Boyd Bridge.
- Make a Left Turn to Remain on Route 49 - Bi-Lo / Wendy's on Right corner, Food Lion / Burger King on Far Left corner.
- At the Second light (just past the BP Station) make a RIGHT TURN to remain on Route 49. (The signage is not very obvious!)
- Go approx 3 to 3 1/2 miles - On Left is "The Timbers" - Make Left Here
- Go to end, make a Left, and then the next right onto Fawn Forest Lane. We are #739 in the cul-de-sac (house on right).

Directions to Motorama Classic Cars: From Independence Blvd/ US 74

Continue on US 74 East approx. 10.8 miles from intersection of I 485 . Exit to the right immediately after passing under the overpass for the Concord Road Exit. Motorama Classic Cars is on the right!
