Queen City Corvette Club (QCCC) newsletter is published monthly by volunteers and members of QCCC. Subscription rates are free for members. Guests can receive up to three months of newsletter issues, and then are removed from mailing list if they haven't participated in any QCCC events. Cost for postage and production is paid for through membership dues. Membership list and financial data are not published for guest copies. For change of address and all other QCCC inquiries, write to: **Queen City Corvette Club, PO Box 77153 Charlotte, NC 28271-7002**. QCCC is a non-profit club (501-C7), which raises money for and participates with various local children's charities. Dues and donations are not tax deductible. We strive to promote exciting, safe & fun ways to enjoy our Corvettes. We hold business meetings on the second Saturday of each month. Our monthly business meeting usually incorporates a social time afterwards. Our socials are always fun and are focused around food & drink. We've had swimming parties, bar-b-ques, cookouts, day trips and weekend trips. We participate in mountain tours, holiday parades and several homecoming parades at local area high schools. We also participate with several sister Corvette clubs in car shows, drag racing, and autocrossing. After an initiation fee of \$7.00, club dues are only \$8.00 a month, per family, and are to be paid quarterly. These dues go to cover the costs of running the club, mailing newsletters, and subsidizing the costs of our meetings. Club officers serve as volunteers.

To become a member of the QUEEN CITY CORVETTE CLUB, you must own a Corvette and attend at least three (3) monthly business meetings and two (2) events within a six-month time period. Express your wishes for membership during a monthly business meeting, be voted in and begin paying dues.

The President's Message

September for QCCC members had a car show, pirates, gangsters & dolls and a road trip to Charleston. Throw in a parade and the weekly dinners and the club had one very busy month.

The second Auto Fair of the year at Lowes Motor Speedway had a terrific turnout from club members but our friendly weatherman somehow forgot to put in the order for a couple of nice days. Saturday found the club members in attendance in the shade, under the bleachers between turns 3 & 4. While a nice break from the rain, wind, and intermittent sun it was not a good place for spectators to find us. Sunday was much better and we were able to get down into the track infield and show off some great examples of club Corvettes. Congratulations to best of show winner Rick Mills, all the other class winners, and to all members who participated in the Auto Fair show. Special thanks to automotive director John Meadows, who was up very early both days, making sure everyone got into place and parked in the designated spots.

The September business meeting and poker run gave everyone the opportunity to have a little extra fun. With a pirate theme established, club members converged on Mark & Adina Ledford's house for the evening. There were plenty of pirate decorations and members got into the action, showing up in various stages of pirate attire. We appreciate Mark & Adina opening their home to us and thank them for all their help. Kudos to VP Boyd Kurt for setting up and organizing the poker run, Susan Kurt for her help on all the treasure chests awarded as door prizes, and again to John Meadows for his help and support.

September 19th –21st in Charleston was forecasted to be rainy and cloudy but turned out to be quite nice. With a major group of Corvettes meeting early Friday morning at the welcome center in South Carolina, we broke up into two groups for the drive down to Charleston. After a lunch break, members checked into the hotel and had a bit of leisure time before meeting to go to dinner with the Coastal Carolina Corvette Club based in Charleston. The Charleston club made sure we all arrived at California Dreaming restaurant in one piece; and everyone enjoyed the evening camaraderie.

Saturday gave club members the opportunity to explore the sights of Charleston before preparing for the big evening event, the murder mystery. With a 1920's speak easy opening theme, members came to the party dressed to the 9's. Or was it dressed to kill? We had a variety of different costumes, each one better than the next. We all enjoyed playing our roles and it was one great evening of entertainment. I especially enjoyed when VP Boyd as "Big Jim Ravioli" was the first one to get whacked.

All of this could not have happened without the hard work of social director Kay Weisberg and hubby Jim. They both spent a huge amount of time getting the hotel set up, organizing the Friday dinner with Coastal Corvettes, assigning everyone their roles

and taking care of getting the dinner delivered Saturday night. This was one really cool party and trip and we could not have enjoyed all the activities without the help of the Kay and Jim.

We ended the month with the annual Mint Hill parade and another nice opportunity to show off some of the club's finest cars. John Meadows once again was on the front line, getting the queens to their designated ride and club participants to the right spot in the parade route and we appreciate his guidance.

Please be sure you are planning to attend our October business meeting and car show to be held at Hendrick Chevrolet in Monroe. Webmaster E.O. Oakley has done a great job listing the information on the club website and be sure to review the rest of this newsletter for additional information. Plan now to come to the show and meeting to show your support for our club sponsor.

Additional thoughts

We opened nominations for the 2009 board positions at Auto Fair and this process will continue through the October business meeting. As previously advised, five current board members are not planning to return for 2009 so now is your opportunity to step up and help organize and run QCCC. If you plan to nominate someone, please discuss with him or her in advance so they have ample opportunity to review the position and make their decision to run. Our club is now in excess of 225 members so I am confident we will have a great slate of candidates. If anyone has any questions regarding the nominations or board position responsibilities, feel free to contact me at any time.

In the meantime, everyone be safe, and see you around the next curve.

Automotive Report

We started out this month attending Auto Fair. While the weather didn't help the Car show, we still had a great turnout both days. Our winners were Richard Fisher, Reggie Black, Bob Becker, Gary Artis, Paul Mariano, Chris Wood and Best of show winner Rick Mills. Again I and the board want to thank all who participated and made this event a successful show.

During September we also had a Poker Run with about 20 cars participating, a trip to Charleston with over 25 cars going down and a parade in Mint Hill(In The Rain) with 12 cars participating. We also learned that City Chevrolet had one of the new ZR1's(Belonging to Casey Mears) on display and many of our members made the trip down to get a glimpse of this exciting new Corvette.

In October we have a couple High School Home Coming events, our Big Show at Hendrick Chevrolet Cadillac of Monroe and a trip planned to Gatlinburg .

We will be having a Car Show at Hendrick Chevrolet Cadillac on October 11, 2008 This is our sponsors car show and we need a BIG turnout. The show will run from 9AM to 3PM with our monthly meeting being held at 3:30 PM. I realize that this is also the day of the big race at the speedway, but it being a night race, we hope those planning on attending the race will at least come by in the morning. We will be serving Subway sandwiches and chips

for lunch. Please bring your own drinks (Non Alcoholic Please). Dealers choice awards will be presented at the meeting . We have promised the dealership that we would have a least 40 cars there. Lets show them how much we appreciate their support our club.

Again we are thankful for ALL of our club sponsors especially City Chevrolet and Hendrick Cadillac Chevrolet. Be sure to support them!!

As I close for this month, remember this is your club. It will only be as good as YOU want to make it. Give us your ideas on events and trips you would like to see.

Until next month---- Save the Wave.

NCM Corner

If you haven't subscribed to the NCM eNEWS mailings, you are missing out on some bargains. A special merchandise sale from the Corvette Store was offered for only three days and only to those enrolled for eNEWS. Go to www.CorvetteMuseum.com and pull down on the Newsletter header. Click on "Subscribe to NCM eNEWS". Follow the easy directions.

Two people are now driving new Corvettes they won in NCM raffles. They are not from the Charlotte area, unfortunately. Jeff Hicks of Atlanta, GA won the "Build Your Own Z06" and William Smith of Cashmere, WA won the 2009 Crystal Red Coupe.

Would you like the ultimate baby book for your new Corvette? If you are ordering a new Corvette, you can purchase a twenty-page photo album from the NCM that documents your car's build process. Each album is created with the highest quality photo paper and bound with a padded leather cover. The cost is \$400.00 or \$350.00 if included with a buyer's tour or museum delivery. \$300.00 if both options are taken. Check it out on the NCM website.

Hopefully, last month I provided everyone with all the information required to get you registered and all your hotel needs taken care of. I also promised to give you all the scoop on activities after you arrive in Bowling Green. So here goes! First you may want to take a tour of the plant and see the assembly line in action. The plant surprisingly opened up their reservation register early and I alerted all those signed up for the caravan as soon as that news broke. I hope everyone wanting a tour got in close to the time they wanted. The next big event is the Hall of Fame dinner where three or four Corvette personages are inducted. Cost of this event is usually \$55.00/person and will probably be on Friday night. There is a limited number of tickets sold for this event. Tours of local attractions such as Lincoln Heritage Tour, Maker's Mark Distillery tour and a Wine and Cheese tour are offered. These events have limited participation and a cost of \$20.00/25.00 per person, which includes a lunch. Registration should open for these events early next year. I will alert everyone as soon as I hear. Free seminars, road tours, and auctions are offered every day. If you are not pre-registered for the caravan, you will miss out on these fun outings. We can anticipate new events will be added for next year. Stand by with your finger on the mouse.

I have sold my initial allotment of Caravan flags and static clings, but should shortly receive a second shipment. Flags are \$15.00 and the clings are \$10.00.

The Charleston Murder Mystery

Wow – did Jim and Kay Weisberg ever set up a great trip! They organized the whole weekend adventure: the travel plans, lodging, hooking up with the Coastal Carolina Corvette Club, and especially the Murder Mystery.

For those not able to join in, on Friday the group caravanned from the SC welcome center to the Quality Suites hotel. After some settling in, we joined up with the local Corvette club and headed to the California Dreaming restaurant that overlooked a picturesque harbor and marina. On Saturday evening the real fun began with all of the characters dressed up in their 20's outfits. Mayhem and madness soon took over as the play unfolded
