Queen City Corvette Club (QCCC) newsletter is published monthly by volunteers and members of QCCC. Subscription rates are free for members. Guests can receive up to three months of newsletter issues, and then are removed from mailing list if they haven't participated in any QCCC events. Cost for postage and production is paid for through membership dues. Membership list and financial data are not published for guest copies. For change of address and all other QCCC inquiries, write to: **Queen City Corvette Club, PO Box 77153 Charlotte, NC 28271-7002**. QCCC is a non-profit club (501-C7), which raises money for and participates with various local children's charities. Dues and donations are not tax deductible. We strive to promote exciting, safe & fun ways to enjoy our Corvettes. We hold business meetings on the second Saturday of each month. Our monthly business meeting usually incorporates a social time afterwards. Our socials are always fun and are focused around food & drink. We've had swimming parties, bar-b-ques, cookouts, day trips and weekend trips. We participate in mountain tours, holiday parades and several homecoming parades at local area high schools. We also participate with several sister Corvette clubs in car shows, drag racing, and autocrossing. After an initiation fee of \$7.00, club dues are only \$8.00 a month, per family, and are to be paid quarterly. These dues go to cover the costs of running the club, mailing newsletters, and subsidizing the costs of our meetings. Club officers serve as volunteers.

To become a member of the QUEEN CITY CORVETTE CLUB, you must own a Corvette and attend at least three (3) monthly business meetings and two (2) events within a six-month time period. Express your wishes for membership during a monthly business meeting, be voted in and begin paying dues.

## The President's Message

October brought cooler weather and the changing of the leaves to everyone. To QCCC members, October brought a major car show, a trip to the mountains, and NASCAR races.

The second Saturday of the month (10/11) was a busy day for club members. Saturday was slated as our second major car show for club sponsor Hendrick Automotive and the Hendrick Chevrolet / Cadillac in Monroe. With the skies dark and rain threatening, the QCCC Corvettes slowly arrived. Eventually over 40 Corvettes showed up, and while we got rain, everyone got plenty of exercise wiping down their cars after each sprinkle. Before the morning was over, the sun came out and everyone enjoyed the camaraderie. Congratulations to all the trophy winners and to Automotive Director John Meadows for another great effort putting together the show and taking care of getting the lunch to all our members.

Special thanks go to the fine folks at Hendrick Chevrolet / Cadillac for allowing us to hold our car show on their grounds. They also were gracious in allowing the club to hold our monthly business meeting after the show at the dealership. John also had arranged to have a special "tricked out" Z06 come down from City Chevrolet and one of their salesman went into detail about the special things City could do to add even more horsepower to America's sports car.

We had a great turnout for the show considering it was also the same day as the NASCAR race scheduled for Lowe's Motor Speedway. Several members already had previously committed to their race tickets but were in phone contact with me throughout the day, checking to make sure we had plenty of cars for the show. While they couldn't make it to the car show, they were with us in spirit.

The following weekend gave another hardy band of members an opportunity to drive to the mountains and visit Gatlinburg, TN. From all accounts I have heard, another great time was had, enjoying the mountain scenery and taking on the curvy mountain roads.

At the end of this month, a great road trip is scheduled for Asheville and a visit to the Biltmore Estate. VP Boyd has put together a great agenda; look for more information on the Biltmore trip in this newsletter. While it is scheduled as a day trip, several members are either going up on Friday or making it a complete weekend and staying over on Saturday night. Whatever your schedule allows, I hope to see as many members as possible in Asheville on Saturday, 11/01.

### Additional thoughts

The November business meeting scheduled for Saturday, 11/08 will mark the date for electing new members for the 2009 board positions. Please look for more information on the meeting location in this newsletter. Plan now to come out to the 145<sup>th</sup> Air National

Guard Headquarters and vote in the new board members. We will also be continuing the canned food drive and will be discussing plans for our annual Christmas giving program. Again, I hope to see as many members as possible at our November business meeting.

In the meantime, everyone be safe, and see you around the next curve.

## A TASTE OF COLOR

Several cancellations reduced our number for the trip to Sevierville to four cars for the morning trip with one meeting us later at the hotel. Those making the run through the back roads were treated to the splashes of colors in the high country and remarkably terrific colors through the lower altitudes. Although we were hounded by drizzle and light rain through the murky skies, enough light made it through to illuminate the color palettes on the trees.

We arrived at the hotel with just enough time to unpack, enjoy a drink of hot cider or coffee and then rush to the Events Center for the evening cruise. Over one hundred Corvettes made the nearly sixty-mile trek through the back roads of Tennessee to enjoy more beautiful scenery, interesting roads and more fall colors. The cruise ended back at the Volunteer Chevrolet dealership and a free BBQ. The personnel at the dealership were extremely friendly and anxious to make sure we were enjoying ourselves. We were.

All day Saturday was spent at the Events Center enjoying the NCRS judging, car show, auction and vendors galore. The guys were picking up free catalogues while the ladies picked up not so free shirts. No, nobody in our group bought a car at the auction. In fact, not many people bought any cars. I guess the economy has touched the Corvette faithful, also.

The group of eight, the Marianos, Davidsons, Walter Ahren and his friend Richard and David and Annmarie enjoyed a great dinner at The Chop House Saturday evening. The Belvins had to return home earlier on Saturday to fulfill family obligations. The superb management at the restaurant provided the table with free appetizers for seating us fifteen minutes late. Way to run a restaurant.

An event that the club could visit again at a minimal cost for a weekend. A great trip with very nice people, but a word of warning. Never, ever, repeat never, try to drive through Gatlinburg on a weekend. Impossible.

## *Back Stage Tour of Blumenthal Theaters*

A determined group of eleven members went over to the Blumenthal Performing Arts Center for a guided tour of their theaters which included the Belk, Booth Playhouse, McGlohon, Duke Energy Theater and the newest theater the Stage Door. We were treated to a very knowledgeable tour guide who explained about the types of theaters, and gave us a little theater history and some interesting tidbits of behind the scenes stuff. We followed it up with a great lunch at the Ri-Ra Irish restaurant nearby.

Elfie Arkus-Duntov passed away on October 23rd at the age of 93. She will be cremated and her ashes placed next to her beloved Zora at the National Corvette Museum. So the life cycle is complete and the legends live.

Just how proud are you of your Corvette?

You can make it famous by purchasing a 4" x 2.5" display to be showed on one of the tabletops in the upcoming new cafe at the museum. There will only be 279 display boxes available on a first come/first serve basis. Artwork and info must be provided to NLT 24 November. Corvettes only, no models please. Price is \$50.00 for display through February 2011. Visit the NCM website for complete details.

Thanks to everyone who voted in the American LeMans Series "From the Fans" award. As a result, Corvette Racing Program Manager, Doug Fehan won the award as the person who made the greatest contribution to the series in the past year. Johnny O'Connell lost the Most Popular Driver award by just three votes. Let's all pitch in next year for a Corvette sweep.

One of our caravan sponsors and also an advertiser in our newsletter, Autosshield Carolinas, has a special offer for their customers to help advertise their new location. Simply make a purchase of Zaino Show Car Polish and you will be automatically entered to win a complete Invisible Bra installation. The drawing will be held on December 24<sup>th</sup>. A very nice Christmas present. There is also a \$20.00 coupon on Citysearch for a discount on a full window tint. Visit their website at [www.autosshieldcarolinas.com](http://www.autosshieldcarolinas.com) for other specials.

I have a few raffle tickets remaining for the 2009 Victory Red Coupe to be given away in January 2009. I will not be getting any more tickets for this raffle.

Although April is still a few months away, it's not too early to begin plans for the C5/C6 Bash at the NCM on April 22-26. Barb and I will be going, as this is one of the really fun events without the large Labor Day crowds. This year we had seven cars from QCCC attending and if we can once again put together a group, I'll be glad to arrange a caravan over the mountains. Viva Margaritaville.

# The October Car Show and Meeting Highlights

# Automotive Report

Dear Fellow QCCC Members,

Happy Upcoming Turkey Day everyone. As usual, October has been a busy month for QCCC. So far we have had 2 homecoming parades, our fall car show at Hendrick Chevrolet-Cadillac and a trip to the mountains.

I would like to thank everyone who attended our fall car show at Hendrick Chevrolet-Cadillac. We had over 40 cars attending the show. Although the dealer had a real hard time deciding their choice for awards( they wanted to give a trophy to everyone) they finally presented trophies to the following people- Steve Pelchat, Tom Rockhold, Carl Slavetsky, Jim Weisberg and Clark Belvin. Congratulations to our winners!!

I want to give a special thanks to all those who made the trip down from the lake, those down from Shelby and to Craig and Donna Perry who came all the way from Lenoir. We were glad to see Craig had recovered from his recent surgery. Our members were asked and they delivered! Hendrick Chevrolet-Cadillac was very pleased with our turnout. AGAIN, THANKS TO ALL WHO MADE IT A SUCCESS!!

In November and December we have several parades for which we will need volunteers. In these we can use any Corvette except those with fixed roofs. Some of the upcoming parades and dates are:

- Concord November 22, 2008 2:00 PM
- Monroe November 23, 2008 2:00 PM
- Lake Wylie Elementary Dec. 6, 2008 10:30 AM

Look for sign up sheets for these at our next meeting.

There are a couple of non-QCCC cars shows coming up in November. The first is November 8 from 9AM to 2 PM in Concord. This is an all model show put on by AutoBarn Classic Cars. The Boys and Girls Club of Cabarrus County will benefit from this show. Although this show is on our Club Meeting day, it will be over early.

There is also a show at Hendrick Motorsports on November 22. I have attended this show for the last couple years and it has a lot of cars and again is a fun show. It benefits the Shriner's Hospitals for Children. I will be sending out emails on both of these shows.

Again we are thankful for ALL of our club sponsors especially City Chevrolet and Hendrick Cadillac Chevrolet. Be sure to support them!!

As I close for this month, remember this is your club. It will only be as good as YOU want to make it. Give us your ideas on events and trips you would like to see.

Until next month---- Save the Wave.

John
