Queen City Corvette Club (QCCC) newsletter is published monthly by volunteers and members of QCCC. Subscription rates are free for members. Guests can receive up to three months of newsletter issues, and then are removed from mailing list if they haven't participated in any QCCC events. Cost for postage and production is paid for through membership dues. Membership list and financial data are not published for guest copies. For change of address and all other QCCC inquiries, write to: **Queen City Corvette Club, PO Box 77153 Charlotte, NC 28271-7002**. QCCC is a non-profit club (501-C7), which raises money for and participates with various local children's charities. Dues and donations are not tax deductible. We strive to promote exciting, safe & fun ways to enjoy our Corvettes. We hold business meetings on the second Saturday of each month. Our monthly business meeting usually incorporates a social time afterwards. Our socials are always fun and are focused around food & drink. We've had swimming parties, bar-b-ques, cookouts, day trips and weekend trips. We participate in mountain tours, holiday parades and several homecoming parades at local area high schools. We also participate with several sister Corvette clubs in car shows, drag racing, and autocrossing. After an initiation fee of \$7.00, club dues are only \$8.00 a month, per family, and are to be paid quarterly. These dues go to cover the costs of running the club, mailing newsletters, and subsidizing the costs of our meetings. Club officers serve as volunteers.

To become a member of the QUEEN CITY CORVETTE CLUB, you must own a Corvette and attend at least three (3) monthly business meetings and two (2) events within a six-month time period. Express your wishes for membership during a monthly business meeting, be voted in and begin paying dues.

## The President's Message

November brought elections where our country will have a new President starting in January and QCCC also held their annual elections for 2009 board positions.

Congratulations to new 2009 QCCC board members President Boyd Kurt, Vice President Phillip Lewis, Automotive Director Nelson Sprague, Treasurer Florence Prather, Social Director Adina Ledford, Secretary Linda Lewis, and returning Membership Director Eddie Burt. I know the new board members are excited to be taking on their new responsibility and will do an outstanding job in 2009.

I can't thank enough the outgoing 2008 board members who helped QCCC have one of our best years ever. VP Boyd Kurt has done a great job for QCCC and I knew I could always count on him for handling his VP responsibilities. He was always there when needed and I know Boyd will do a outstanding job as President. After all, he does have big shoes to fill. Automotive Director John Meadows has been a pleasure to work with and this past year put together a slew of memorable car shows, road trips, parades, and presided over the club charity committee. I learned a lot about John this year and can honestly say he is truly a gentleman and always had the club members interests at the forefront.

Kay Weisberg also was fun to work with as she guided the social activities of QCCC this past year. Coming up with new and different social activities for an organization of over 225 members can be challenging and Kay was up to the test. Who could forget the Charleston Murder Mystery as well as Maggie Valley? Sprinkle in all the other monthly events along with organizing the holiday food drive and you have one busy lady. And don't forget, Kay has put the January 2009 awards banquet together as well.

Linda Meadows has handled the treasurer job for the past two years with a professional attitude and did a great job. It is not an easy task balancing the club books, keeping track of dues, creating the annual budget, and keeping the rest of the board and club in line when it comes to monitoring all the club finances. But Linda took the time to make sure every nickel and dime was accounted for and in line with what we said was going to be spent. And what can I say about Membership Director Eddie Burt that has not already been said? Eddie is the cornerstone of QCCC and also was there for me (and everyone else) and is always out in the public, recruiting new members for QCCC and coming up with new ways to generate revenue for the club. Eddie pretty much single handedly created our club

advertising program, which has resulted in more prizes and awards coming back to club members.

And I can't thank enough my wife Margo for her help this past year. After previously serving as club secretary for 2 years (2005-2006) she stepped up midyear to fill the vacancy that had been created in the secretary position. Margo has been by my side for 33 years and has been a tremendous supporter while I have been on the QCCC board for the past 3 years.

And there are others I want to thank for jobs well done this past year. Thanks to Charlie and Iris Binder for their always impeccable job of putting together the newsletter you are reading. This job requires a huge amount of time and month after month Charlie and Iris come through for us. E.O. Oakley was given a challenge early in the year as web master to update the club website and boy did he do one heck of a job. E. O. gave a whole new look to the website and incorporated new technical tweaks that enables users to move smoothly through the information posted for QCCC.

Paul Pelkey publishes monthly all of the membership and car data for everyone and club photographer Bob Denney gives us the majority of all the great photos we enjoy looking at in the newsletter and on the website. National Corvette Museum Ambassador Paul Mariano keeps us posted on the latest happenings in Bowling Green and is really taking on a big job for 2009, helping organize the regional gathering for the 15<sup>th</sup> Anniversary Caravan to the Museum next year. Thank you all for your hard work and support of QCCC.

And a big thank you goes to club sponsor City Chevrolet and Hendrick Chevrolet-Cadillac. They have been very supportive of QCCC this year and have been a terrific help to all of us.

### **Additional and final thoughts**

The holidays seem to bring out the best in everyone and is a time to give thanks. Give thanks for our wonderful families, our great friendships, and reflect upon the fact QCCC is blessed to have such outstanding members. In all sincerity, I want to personally thank all of the QCCC members for their support while I have served as President the past two years. It has truly been an honor to be part of the great legacy of club presidents that dates back 40 years. I will see you all at the December Christmas party and at the January awards banquet.

In the meantime, everyone be safe and see you around the next curve.

# VP REPORT

First of all I would like to thank everyone for their confidence in electing me as your 2009 President in QCCC. I have enjoyed being VP under Q. As his campaign manager it was a fun 2 years. Looking back at 2008 we all came together and had a great year. I know the 2009 QCCC Board will work hard and plan a fun filled 2009.

Our November 8<sup>th</sup> meeting was held in the dining hall of the 145<sup>th</sup> Air National Guard. We thank Lt. Col. Rose Dunlap for letting QCCC hold its meeting there. She said it was a pleasure to have us and thanked QCCC for all the good things we do for them. We had over 83 members and guests attend.

The December 13<sup>th</sup> meeting, pot luck dinner, Christmas Party and gift exchange will be held at Pleasant Hill Presbyterian Church; 15000 York ( Hwy 49 ) Rd, Charlotte, NC 28278. There is plenty of lighted parking so drive your Corvettes. The club will furnish the meat course, drinks and plates, etc. We get to furnish vegetables, potatoes, deserts and all the other good eats. Dinner will start at 5:45PM with the meeting starting at 6:30PM. A gift exchange will follow the meeting. Under \$15.00 gifts please. You have to bring one to get one.

Our January 10<sup>th</sup> meeting will be held at the Troutman's BBQ ; 1388 Warren Coleman Blvd; Concord, NC 28025. It is at the corner of Hwy 49 and Hwy 601. We will have a buffet dinner prior to the meeting. Dinner will start at 5:45Pm with the meeting starting at 6:30PM. The cost will be \$11.00 per person. Exact cash please. Look for more information on the web site and January newsletter.

How did we get to park here at Biltmore?

What a Great Christmas Gift!

All racing Corvette's are YELLOW!!!!!!

" Save the Wave"

Boyd Kurt – VP

PS: Remember Sebring ALMS race is March 21<sup>st</sup>, 2009. Look for us on the start finish line. Go Corvette in the GT1 and GT2 classes.

## *The Biltmore Trip*

The temperatures were a little nippy as members gathered in different locations to caravan from the Charlotte area to the mountains. Most arrived around ten in the morning to be greeted by VP Boyd Kurt handing out tickets and directions to the wine tasting event.

Needless to say, we really enjoyed the wine making tour and especially the wine tasting event. Wow, that could have easily lasted till mid afternoon if it wasn't for the fact that we had lunch reservations at the Deer Park.

With a great meal and wine in our bellies, we took our Corvettes over to the “big house” where the Biltmore attendants helped us line up our Corvettes for a panoramic photo right in front of the mansion. Members then took a leisurely tour of the house and admired the grounds while enjoying the perfect weather.

Some members headed home after the tour, but a bunch stayed on and continued the partying at local hotels. We have to compliment VP Boyd on a splendid job of organizing and arranging to have great weather for the event.

# NCM Corner

We have many new members that may not be familiar with the National Corvette Museum so I would like to quickly go over the reasons why you should become a member. The NCM became a goal in 1989 and opened its doors in 1994. It is committed to preserving the legacy of the Corvette past, present, and future through maintaining a central point for displays, documents, memorabilia, and most importantly, a place all Corvette owners can look to as the gathering point for all things Corvette. The early years of the museum saw it kept alive by a small dedicated group of enthusiasts who refused to let it die. Today, over 30,000 members contribute to its viability and as a result, it continues to grow with a 47,000 square foot addition set to open next year and plans for a motorsport park in the near future.

You can be a major part of this exciting endeavor by simply becoming a member and make further contributions by attending functions at the museum and shopping on-line at the NCM Corvette Store. Memberships range from \$50.00 for a single to \$100.00 for a family to \$1,500.00 to become a lifetime member. There are other memberships in between that may be better suited for your situation. Please give me the opportunity to discuss with you all the options available and the benefits of being a member. Once you join and have the opportunity to visit the NCM, you will have a feeling of satisfaction that owners of other automobiles can only dream about.

If you are already a member, do you have your personal brick on display at the museum? If not, order one before the end of the year and let Uncle Sam pay for part of it. It is a donation and therefore, tax deductible. Help the NCM and yourself.

There are now nine cars signed up for the C5/C6 Bash in April at the NCM. I will be getting a block of rooms for us and if you would like to join the festivities, please let me know ASAP.

It's time to start the Christmas shopping chore and you can alleviate some of the pain by going to [www.corvettemuseum.com](http://www.corvettemuseum.com) and shopping on-line at the Corvette Store. Oh, and don't forget to buy something for your Corvette. Its feelings would be terribly hurt.

Happy Holidays to all!

Save the Wave.

# Automotive Report

Dear Fellow QCCC Members,

Turkey Day is upon us and the year is getting close to the end. This past month we have provided cars for a couple of parades (Concord and Monroe). I appreciate all those who have helped out with these activities. We also have a parade coming up the weekend of December 6 at Lake Wylie Elementary. I still need a few more cars for this parade.

Several members attended a couple of car shows this past month. The biggest was at Hendrick Motorsports with over 415 cars participating. We had about 10 members bring out their cars with 4 of them winning in the top 150 cars. It was very cold but I think we all had a great time. This show has grown each year and I think we should plan on attending it again next year.

Well, elections have come and gone. Nelson Sprague will be our new Automotive Director next year. I look forward to working with Nelson in putting together many activities where we will be able to enjoy our cars. I have appreciated the support that I have received this year from you the members of QCCC. We have had some great events and a lot of fun. In our car shows this year, we have had at least 20 different winners out of about 28 awards. Again showing that all the Corvettes are great looking cars!

I would also like to thank both City Chevrolet and Hendrick Chevrolet-Cadillac for sponsoring our club this year. Through their generosity, we have at least \$2000 to be awarded to local charities next year. I urge you, if you are looking for a new car, to visit one of these two dealerships. They will treat you right!

As I close, I want again to thank each of you for supporting me as the Automotive Director for QCCC this past year. I look forward to traveling many miles with you in the future. It has been a privilege and an honor to serve on the board of QCCC. I encourage you to think about serving as well. While there are several other Corvette Clubs in our area, there is only one Queen City Corvette Club and it is you the members that make it the best. Other clubs may try to imitate QCCC, but because of you, we ARE the BEST!

Thanks Again  
John

## Did you know that.....

For the production model year 2009 (so far)...

- The NPP Performance Exhaust package has been ordered on 51% of all Coupes and 59% of all Convertibles?
- Cyber Gray is the most popular 2009 color to date with 20% of all Corvettes ordered in the new color? Second is Black and third is Victory Red.
- The top three colors ordered for the Corvette ZR1 were: Cyber Gray, Black and Jet Stream Blue?

General Motors has announced the Corvette Assembly Plant will undergo **another** shutdown in January and will lay off 110 workers as the company slashes production amid lower sales? Production is expected to be cut as well from 15 Corvettes an hour to 11.
