# the 1st turn

---

First off, I want to thank everyone who turned out for the Autofair weekend. We had two dozen cars on display Saturday and Sunday. The raffle sales for the Spina Bifida car went great. We've already raised over \$900 and should be able to double or triple that amount to donate.

We sold \$300 worth of tickets for the National Council give-away car. Remember tickets are available for both of these cars. (See George or Theresa).

We need **EVERYONE** to show up for the May meeting so that we can get commitments from those planning to attend the Sectional and assign duties. (We remember all those who voted to host the Sectional and we're counting on your support!) Please be sure to bring any old trophies to donate for recycling so we can keep the cost of awards down. We need them **ASAP!!**

We are still looking for a motorhome to use for race headquarters, any suggestions?

We are really looking forward to a great time Memorial Day weekend. The more people we have...the more fun it will be.

**SAVE THE WAVE!!!!**

**Jeff**

The April 12 meeting was called to order by President, Jeff Estridge. Jeff thanked everyone for attending. He reported that Steeples BBQ wants \$12 per person to cater the Sectional in Rockingham. It was decided that this was too much and we should continue looking for caterers.

Art reported that the go-kart looks great. Chris Andrews donated sunglasses to give away with the purchase of 10 raffle tickets. It was suggested that we give away the visors left over from the Spina Bifida camp. We decided to keep them for this year. Labe made sure that everyone had passes to get in to the Autofair. Everyone should try to be there around 8:30.

John reported that the Corvette Club is the only car club that has been invited to attend the Saber Society fly-in in Hickory on May 18. Everyone will meet to caravan. We will be able to sell raffle tickets for the go-kart.

Tuesday, May 21 will be the Parade of Lights. We need convertibles!!

George reported that we raised \$550 from the Carolina Community Books. Caroline Lentz sold the most books and received \$25 from Carolina Community Books. WAY TO GO CAROLINE!!

The tickets for the go-kart will be issued in envelopes of 25. Money and tickets should be turned in with the envelope. The drawing will be in September at the Autofair.

We have 9 members who still have not paid their first quarter dues. Second quarter dues are now due.

Jay reported that we will have Tech Inspection Class at the drag races next weekend (April 21). May 4th and 5th there will be low speed events in North, SC. April 21 is the SCCA Hill Climb in Banner Elk.

We need a new place to have races. Maxton Air Force Base in Laurinburg was mentioned. It wouldn't cost us anything.

We only have 20 entrants for the Sectional in Rockingham. We need 50. April 26 is the deadline for entrants. If we don't get enough response we may have to cancel. We'll lose \$2000 if we don't use the track.

We need a low speed and high speed event chairpeople, tech inspection supervisor (Labe) and someone to do catering.

There will be a new chapter of the NCRS starting in Matthews. They will be holding a meeting at the Autofair on Saturday. Anyone interested in joining should attend.

A motion was made and seconded to adjourn the meeting and continue on to the Sandwich Construction for dinner.

Respectfully Submitted,

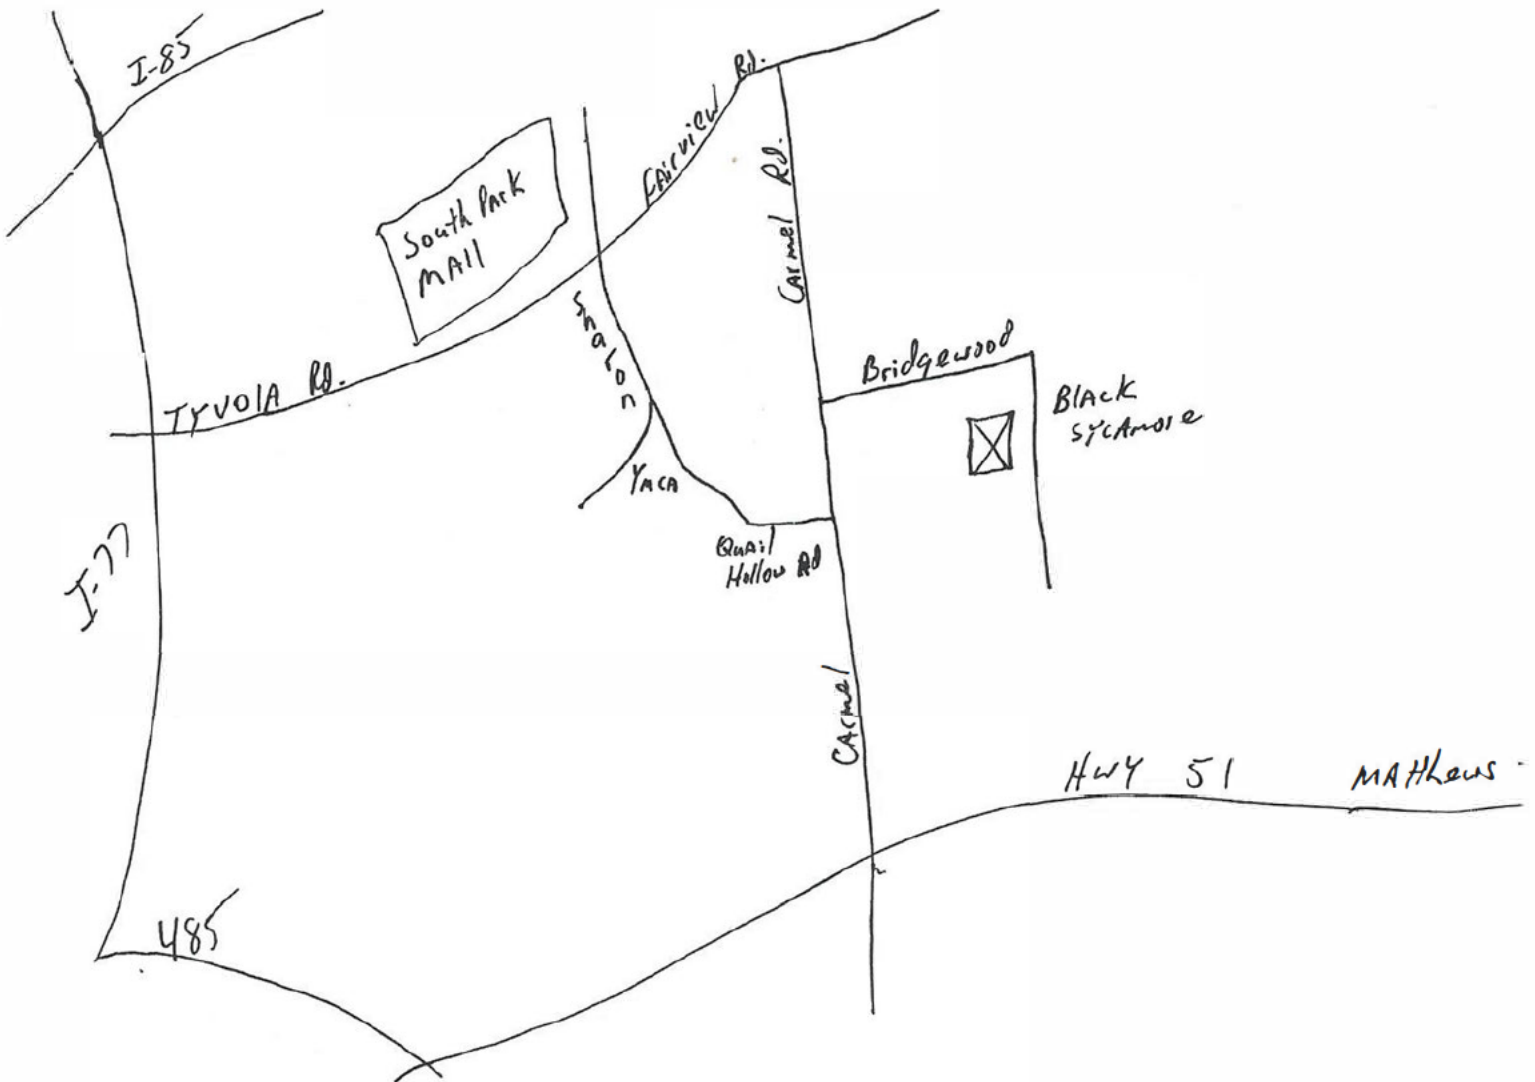

Debbie

## VP of Social!

Our May business meeting will be held at the home of Betsy & Jon Elliott.

Date: Saturday, May 11, 1996  
Time: 6:30 p.m.  
Location: 3932 Black Sycamore Drive  
Charlotte, NC 28226

It is hamburger and hot dog time again! Please bring your favorite beverage, and your "call committee" food assignment to our May meeting. We look forward to seeing everyone there.

May is a busy month for QCCC. We have a lot of business and information to share with everyone during this month's business meeting. For instance:

May 18	Sabre Society Road Rally to Hickory, NC Airport
May 21	Festival of Lights Parade, Downtown Charlotte, NC
May 25 & 26	NCCC Sectional Autocross, Rockingham, NC

The Sabre Society is a group of aviation enthusiasts that have started an air museum in Hickory, NC. Their primary objective is to preserve and restore "war birds". Saturday, May 18, is the date for their annual "War Birds over Hickory" fly in. The Queen City Corvette Club will rally to Hickory airport to see this awesome sight of historical aircraft and participate by having our corvettes on display. This promises to be the biggest and best show ever. Over 75 vintage aircraft are scheduled to fly and be on display, weather permitting. See in person, P 51 Mustangs, P 47 Thunderbolt, AT 6 Texan, T 28's and F 4U Corsair, plus many more!

For the Hickory rally, plan to meet at Home Federal Bank, next to Shoney's, off of I-77 and exit 28 in Cornelius on Saturday, May 18. We will depart at 8:00 am **SHARP!** Please note that we are not meeting at McDonald's this time!

At press time, only 7 corvettes are needed for the Festival of Lights Parade. Please call me, Jon Elliott, at if you would like to participate in this event. A QCCC spectator location will be determined on May 7, so we can watch the parade together.

*F.Y.I. May 1963 Corvette production was approximately 2281*

I would like to thank everyone who took the time to participate at Auto Fair. The weather was on our side this year and we had a tremendous turnout. With two dozen cars lined up around the winners circle, our club probably had one of the largest displays at the show. GOOD GOING! Our raffle ticket sales were super due to the eye catching appeal of the Pace Car and to the dedication of club members that manned the ticket selling table.

At the drags in Mooresville, cloudy skies were no doubt a factor in the low attendance. Those of us that did compete had a very successful day. Jeff Estridge, Rick Witcher and Mary Anne Chiluck were quick enough to gather up 9 first place spots. Congratulations to all of them. Jay Freeman, whose car sounded real strong, was sidelined with a broken U joint during a practice run. Tough luck Jay.

Hope to see you all at the next meeting.

# COMPETITION SCOOP

THE DRAG RACING AT MOORESVILLE DRAGWAY WAS ENJOYED BY EVERYONE WHO ATTENDED. WE ONLY HAD ONE MISFORTUNE WHICH HAPPEN TO BE A BROKEN HALF-SHAFT U-JOINT ON A BLUE '67 CONVERTIBLE. I WONDER WHOSE? WOW!! DID THOSE STONES BITE.

I HOPE EVERYONE WHO ATTENDED AND RACED AT KNIGHTS STADIUM ON APRIL 27TH & 28TH HAD A GREAT TIME. A NUMBER OF US CERTAINLY HAD A GREAT TIME AT THE 1ST ANNUAL BEECH MOUNTAIN HILLCLIMB. ALL OF THE CORVETTES DID VERY WELL.

CONGRATULATIONS!!! TO ALL THE COMPETITION WINNERS OF APRIL'S EVENTS.

# THE HISTORY OF THE

The history of the world is a long and varied one, filled with many different cultures and civilizations. From the ancient Egyptians to the modern world, there has been a constant evolution of human society. The study of history allows us to understand the past and learn from it, so that we can build a better future for ourselves and for the world.

One of the most important aspects of history is the study of the human mind. We can see how our thoughts and feelings have changed over time, and how these changes have shaped our actions and the world around us. This is a complex and fascinating field of study, and it is one that continues to evolve and grow.

In conclusion, the history of the world is a vast and intricate tapestry of human experience. It is a story that is constantly being written, and it is one that we all have a part in. By studying history, we can gain a deeper understanding of ourselves and the world, and we can learn from the mistakes of the past to create a better future.
