March 29, 1999

To my fellow QCCC members:

Spring has sprung. March has now past and left us with some wonderful memories of QCCC activities. For instance, the Krupowicz's won the rally, Ray Stonitsch won the bowling trophy, and Eddie Burt who probably won the unofficial dance contest at Coyote Joe's. April is upon us and that means it's time for AutoFair & our Charleston, SC caravan. Join in on the fun.

For AutoFair visitors, QCCC has 300 Corvette posters and around 100 pairs of sunglasses to give out. There will probably be a donation box for folks to make contributions to. We will also have the **National Council of Corvette Club** information booth set up to sell 1999 Corvette raffle tickets for the National Kidney Foundation and, answer any NCCC related questions. Queen City Corvette Club will be presenting a check to the Speedway Children's Charities on Sunday afternoon during the AutoFair awards. AutoFair passes are limited to the first 50 people and 25 Corvettes. Contact Jeff Estridge for yours.

Enclosed you will find a copy of our QCCC by-laws with proposed changes submitted from our by-laws review committee. Thanks to Rick Witcher and his committee members for their efforts with making suggestions on improving our QCCC by-laws. Please take a moment to review these by-laws and the proposed changes. We will be discussing the reasons for changes needed and vote on adopting any changes during our April & May business meeting.

One last thing, **Thank you** John Meadows for your help and assistance with producing our QCCC web site. It has been updated and looks great! We receive around 100 "hits" every week. Many are inquiring about membership. A QCCC web browser can now link themselves to Eckler's, NCCC Carolinas Region, and the National Corvette Museum. Check it out at www.queencitycorvette.com.

Sincerely,

Jon Elliott

April... 1999's only 1/3 of the way over and we've already had a years worth of fun. Thanks again Nancy for a SUPER job.

Thanks also to the hearty souls that braved the cold to do the St. Patrick's Day Parade. We had 15 cars (11 convertibles and 4 coupes) all with tops off or down to carry dignitaries and guests. It was a great parade and bound to be larger next year. (The organizers were thrilled we participatedespecially those green cars.)

April is Auto Fair month.... this year it's April 8-11. We'll meet on Friday night the 9th at 6:30 behind the restaurant on Morehead Street ...across from the Speedway and caravan in together. The meeting will follow. If you don't have your passes and you want to attend & show your car please let me know or see me Friday night. We hope to have the NCCC traveling display in our area...haven't heard back as of this date. Auto Fair's always lots of fun and a great way to meet other members recruit new members and show off our cars. Please plan on attending.

Check your calendar for all upcoming events. Be sure to volunteer for our autocross events in June – See Bob Denney.

This month's spotlight is on our President & Secretary, Jon & Betsy Elliott. Jon, Betsy, Emily & Margaret have been members of QCCC since April '95 during which Jon previously served as VP Social and set the standards for all that have followed in that position. Their '63 split window is the 1st of 12 Vettes they've owned (one time owned 5 at once). Jon was bitten by the "Vette Bug" at an early age when big brother Steve got a red on red split window while in college. Steve followed this with a '68 big block. Jon's '63 was located with lots of help from brother Steve, several friends and the late C.H. Nalley from Chevy's Under Glass in Shelby. After 13 years of marriage, Jon & Betsy enjoy QCCC activities like the parades, Mountain Run, Beach, Auto Fair and like most of us would and do anything this club needs to improve & grow. Thanks Jon & Betsy for your great leadership and friendship. It's what QCCC is all about.

Til next month..... Save the Wave ~~~~~

Jeff

VP - SOCIAL REPORT

NANCY RUNNION

841-2283

Lets bowl again sometime. I believe that everyone who went bowling after our last meeting had a great time. Ray Stonitsch, with a score of 173, won the QCCC trophy. This will be in his possession until the next time we bowl.

Our April 9, 1999 meeting will be held at our AutoFair site inside of the speedway. Yes, this is a Friday evening meeting. We will meet at the Amoco mini-mart, at **6:00pm, sharp!** From there we will proceed to the speedway tunnel entrance, and on to set up our venue at the Winners Circle. The Amoco is located on the northwest corner of Hwy 29 & Morehead Road, across from the Lowe's Motor Speedway. Afterwards, we will be eating and socializing at **The Graduate**, 10008 University City Blvd., Charlotte, NC.

See me for information on the Marietta, OH trip. It is going to be so much fun.

The following is the March clue for the \$200 hunt:

Jackie and John are gone from this place but here there are lots of sounds, when you see this kind of place turn your car around.

Answer: _____

The secret letter is T for this month.

Please see the back page for dates and times of upcoming events.

LIST OF UPCOMING EVENTS

1. April 9, AutoFair monthly meeting and dinner at Graduate
2. April 17-18 - Charleston, SC Trip

26. December 11, regular monthly meeting and Christmas party at Burt's house. 6:00
27. January 15, 2000 - Awards Banquet

Ruby Beauty Report

If you are not a member of NCCC join! It is to in your best interests, as well as the Clubs. We currently have 51 members but we need everyone to belong. See me today for your application.

Well this month we are going to visit Charleston. It should be fun ... We have 28 Cars entered for the Caravan. Hope yours is one of them. Chev's Under Glass has 4 Cars Southern Corvette Club has 2 ... we even have a Car coming from Lancaster Ohio to join us on the drive.

As I write this I am thinking about the up coming Autocross events. Columbia's will be over by the time you get this and the next speed event will be Southern Corvette Club's Drag Race on May 15th. Those of you who would like to know how fast your car can go in a 1/4 mile should try this event. Then our Autocross which, will be June 19th and 20th starts the list of high and low speed events. Make sure you have our events marked on your calendar. There will be several super speed events going on in this summer. Put your car through its paces. It is fun and educational let me tell you learning when the tires will break loose is safer on a race track than on the streets.... I can attest to this personally.... and it is expensive.

As I mentioned at the last meeting.... Regional **needs** workers for the South Sectional on the 3rd and 4th of July. There will be 2 low speed events and 4 high speed events that weekend. Take a look at the Flyer in this months group of Flyers. There is also a reminder for the National Convention.

The application for the Museum Caravan is included for you to fill out and get registered Let Eddie know about your room needs. Eddie is keeping track of how many rooms we still have available.

Lets all get involved. It was very heart warming to see so many cars at the St. Patrick Parade and at Nancy's Rally. Lets all plan on participating in one of the events offered this year. I am sure that once you experience the thrill of putting your trusty steed through its paces.... be it Drag Racing, Autocrossing, Concours or what ever have fun with your car.

Keep the Wave

Bob Denney

NCCC Members,
Please fill out
and mail to:

March 4, 1999

TO: All NCCC Governors

FROM: NCCC Convention Steering Committee

SUBJECT: Desired format of future conventions

Bob Denney
112 Canopy Court
Mooresville NC
28115-3197

When a club or group of clubs submit a bid to host a NCCC Convention, they have spent a great deal of time and effort in this bid preparation. Over the years, a number of surveys (at conventions and Vision 2000) have been taken to find out what type of format would appeal to the members of NCCC. It was thought that by listening to the members, changes could be made that would make conventions more appealing to more members. We need your club's input to determine our future efforts. Please poll your members and indicate the number of members who would be "for" or "against" attending a convention in each of the following categories below, if approved by the Board of Governors.

- **Traditional Format** - 7 days, full competition schedule, national awards, parties, business meetings, etc.
Number for _____ Number against _____
- **7-Day Program** - Resort setting, limited competition schedule (i.e., no drags or high speed event), national awards, parties, business meetings, etc.
Number for _____ Number against _____
- **5 days or less** - limited competition schedule and parties, national awards, business meetings, etc.
Number for _____ Number against _____
- **Social program** - 7 days or less, non-traditional setting (i.e., ocean cruise, island site), national awards, business meetings, family vacation theme, no competition with Corvettes.
Number for _____ Number against _____
- **Discontinue NCCC Convention** in favor of week-end regional events with a national awards week-end.
Number for _____ Number against _____

Please respond with your best numbers by April 16, 1999. Fold in three equal parts and tape (no staples please) displaying the return address on the reverse side of this survey.

Governors name _____ Club's NCCC number _____

Thank you for your cooperation.

Excitement **A MILE HIGH**

NCCC 40TH CONVENTION

DENVER, COLORADO

*HOSTED BY
NCCC CLUBS OF THE ROCKY MOUNTAIN REGION*

JULY 24 - 30, 1999

ROCKY MOUNTAIN CLUBS NCCC CONVENTION "99"

Larry Morrison
Convention Director

Larry Odom
Co-Director

The clubs and members of the Rocky Mountain Region are looking forward to your attendance at the 40th Annual NCCC Convention the week of July 24-30, 1999 in Denver, Colorado for "Excitement a Mile High".

Completing the registration form and returning it early will, as always, save you some money, and we encourage you to do so. Registration will open February 1, 1999 and postmarks will determine the amount you owe. Please fill out all applicable areas and be kind to our aging eyes by printing legibly. We will have no choice but to return incomplete or illegible forms to you for correction. Should the occasion arise, refunds are available until June 30, 1999, however a 10% surcharge will be deducted. If that becomes necessary, please include a stamped, self-addressed envelope along with your written request for a refund. In addition to the registration, please fill out the hotel registration, and specify smoking or non-smoking and any special needs you may have.

The host hotel is the modern Holiday Inn Denver Southeast located in Aurora, Colorado, at the I-225 and Parker Road interchange. Holiday Inn is a full service hotel with all the amenities, and fantastic views of the mountains and the city of Denver. The hotel offers singles, doubles, and suites. We regret however, that you will not be allowed to live in your motor home on hotel property. Sorry, but the hotel has a no pets policy.

Now that you know the rules, let's play and have **FUN!!!**

The High Speed event will be held at Pikes Peak International Raceway in Fountain, Co, 75 miles south of the hotel. The Low Speed will be held on Lot 4 at Stapleton Airport, 15 miles north of the hotel. Bandimere Raceway, home of NHRA's Mile High Nationals, will be the site of our 1/4 Mile Bracket Drags (non-record). The Concours, Rally, and Funkhana will be held at the hotel.

When the competition is done for the day, we will have a theme party every night except for Thursday, when we encourage you to explore Denver and the surrounding area on your own. Trips to the gambling towns in the mountains will be available that evening.

We are looking forward to showing off our part of this country that we are so very proud of. With all our great scenery, weather, and things to do, we will try our best to make this week a memorable experience.

"Denver in 1999" see you there.
