

QCCC AUGUST 2020 MONTHLY MEETING

Unfortunately, QCCC will have to cancel the official club meeting scheduled for August 8.

BUT, we are scheduling an event for everyone to attend. This meeting was to be our annual celebration of our Anniversary, and we are celebrating our 52nd year of continuous operation this year. We are not going to let that pass without having an event, as this certainly requires recognition and celebration. This will not be an official meeting, but will give us a chance to get together again and highlight our longevity and great success. So here are the details.

August 8
6:00 to 8:00 pm
Victory Lanes Entertainment Center
125 Morelake Drive
 Mooresville, NC

We will have lots of parking to spread out our cars and keep proper distancing. We will have our yellow tent with a PA system and music! We will gather outside to visit, listen (and dance!) to music, and see who's got a new car. (there are 2, maybe 3 C8's in the club now). **So bring your chairs.**

We can go inside the building to cool off, use the restroom, get a beverage (full bar open), and we will have FREE ice cream as part of the celebration. You can also order some food if you would like. There are tables spaced out inside. Bar and food expense is your responsibility. But did I say FREE ice cream?

Since we have had no meetings for several months, we have prospective members that have been asking about attending some events. So we are wanting any prospective members to come to this event so we can get to know one another. Paul Schmidt has a long list of people that are inquiring, so we hope to see many of them. Please wear your name tags and look for new members to introduce yourself. We want everyone to have a really good time.

Of course we are asking for all to wear masks and respect distancing boundaries. But that will not have an effect at all on our party! This is going to be fun and exciting, and I look forward to seeing everyone on the 8th. Contact me or VP Dick Gwilt if you have any questions.

Just FYI, at this time we are planning to hold September and October meetings, in an outdoor setting. More details will follow.

Thank you for your continued support, and **HAPPY 52nd ANNIVERSARY, QCCC!!!!**
