**QUEEN CITY CORVETTE CLUB  
MARCH BUSINESS MEETING**

DATE: Friday, April 12, 1991

TIME: 7:30 P.M.

PLACE: Clayton and Ruth Williams Corvette Condo

MARCH 1991

Fellow MEMBERS,

The days are flying by now! The weather is great, and our work as a Club is just beginning!

I was at Charlotte Motor Speedway this month, and Boy! it will high speed be fun in July. JAY is doing a great job getting our Convention on the road to success. Please, everyone, let's give our support to this Agreement.

QCCC activities are slow right now, but wait until after CONVENTION! We have lots of things in the works for our club to have some **FUN**.

THANKS TO ALL WHO PARTICIPATED IN THE ST. PATRICK'S DAY PARADE.

*Roy*

"You and a Porsche were racing. The fastest car gets the ticket. Which of you was it?"

Fellow Vettters -

I appreciate your patience last meeting in the absence of our President. Your participation and cooperation made it a successful meeting. Everyone's ideas are important, and sharing those at club meetings like you did last month helps our club to grow and prosper.

Congratulations to Mike and Carroll as being voted in as new club members. We're glad to have you.

Well, St. Patty's turned out to be a success. There were no green Vettes, but just about everyone had on some green somewhere! A few showed up without a Corvette and supported the club effort. A good crowd turnout was even better when you saw their enthusiasm for those shiny Corvettes running two abreast down main street. Arms waving, mouths open and an occasional whistle. Lunch at South 21 Drive In topped off the day.

Rain don't hold back a serious racer. Queen City was represented in Greenville, SC for 3 runs Saturday in drizzle and 3 runs Sunday in sizzle (sun, that is). Reports are Jerry and Lew tried out new engines with success. Jenny and Janet and everyone else came home burnt Sunday. Scott and Chris played in wetness Saturday.

Things are really popping in convention activity now. Jay and Larry have their hands full as well as many committee people. Only success comes out of hard work like this. We still need your help as "Convention 1991" draws near.

Thanks

R.D.H.

P.S. Support your club!

but, they will now add your car to the list of cars to be sold. In fact, it is not a good idea to sell your car until you have a new one lined up.

WELSH EASTERN

Hello again fellow club members! It looks like the warmer the weather gets, the busier the club gets. Congratulations to Zoe on being elected new V.P. of Public Relations, and to new club members Mike and Carroll. We're always glad to find new friends with fiberglass.

There was a good turnout for the St. Patrick's Day Parade and the trip to South 21 afterwards. The parade announcer said our cars probably weren't used to going that slow (that's true in my case, as my insurance agent will tell you)!

Now, down to business:

The next club meeting will be Friday, April 12 at 7:30 at Ruth and Clayton's. On Saturday, April 13, there is a Regional Governor's meeting in Columbia, and a concours on Sunday, April 14.

On Sunday, April 21, there will be a convention meeting at 1:00 p.m. at Sue Chandler's house. This meeting will be special because there will be a social afterwards. As always, everyone is invited to attend, and everyone who is not a chairperson can help with convention activities by making signs to direct conventiongoers into Charlotte Motor Speedway, so if you can draw, please come. Now, here's the good part: Before we start the meeting, there will be **FREE KENTUCKY FRIED CHICKEN** for everyone! And for anyone who doesn't like chicken, there will be ham to munch on. For side dishes and desserts, you can bring your own dish to share (potato salad, pie, etc.). There will be a sign-up sheet at the next club meeting so you can jot down the food you will bring. Sue has provided a map to her house, which is in this newsletter. There's a fenced-in backyard for the kids to play in, so bring everyone and come on down!

QUEEN CITY CORVETTE CLUB MEETING

The Vice President called the meeting to order. Our visitors, David Farmer and Jennifer Tucker, were welcomed. We were also told that Mike and Carole Callea wanted to be voted on to become members of the club.

Clayton Williams nominated Zoe Hough for the open office of Vice President of Public Relations. The nomination was voted on and carried by a unanimous vote.

**Vice President:** Ricky brought up the fact that the club trailer at the present time is not road worthy. It was decided that we will wait until after convention to recondition it or look into buying a new trailer.

Some of our members have had zip code changes that the Secretary was not aware of. It was suggested that all members notify her if their zip code is different from the one on their newsletter mailing label.

Special thanks were given to all of those who sold raffle tickets at the Convention Center. A special thanks was also given to Melvin Pace and Mandy Dickson for helping sell tickets at a time when we were short on club members. We were also told that all raffle tickets need to be turned in by the end of April so they can all be taken to the National Meeting in May.

T-Shirt sales at the last National Meeting amounted to \$880. The club was also told that we had checked with the Steering Committee at the National Meeting asking for permission to be able to sell the t-shirts to the public. They said the t-shirt sales were ours, and they saw no problem with our selling them to the public if we wanted to. Therefore, t-shirts were sent to Knoxville with Roy and Sharon to be sold.

**Vice President of Social:** Candy gave all the pertinent information regarding the St. Patrick's Day Parade; afterwards everyone decided we would go to the South 21 Drive-in for lunch; we also decided to go to the Rock 'Ola Cafe after the club meeting.

**Vice President of Competition:** Betty said the new banner has been ordered that was voted on this past year; she went over the list of upcoming events and gave all members present their new NCCC membership cards; she then discussed the new proposed rule changes that will be voted on in May for the 1992 Rule Book; a trip to Bowling Green on May 10 is being planned; bids are still being taken for the NCCC trailer with \$2,500 being the lowest they will accept; ZR-1 t-shirts and long stemmed roses were given out to the raffle ticket sellers at the Convention Center; the officers decided that a neon t-shirt should be given to Neil Goggin for his

efforts in obtaining the ZR-1 to be on display at the Convention Center to help sell the raffle tickets.

**Treasurer:** Louise explained the reason she had a corrected copy of the Treasurer's report was to go back and bring it up-to-date properly; some members are behind on their dues and need to be brought current as soon as possible.

**Secretary:** All March birthdays were remembered with those present receiving a small surprise; a copy of the Bylaws with the most recent Bylaws' change was passed out to the members present and a new address list was passed out.

**Convention Business:** Day passes were discussed and the fact that we have a letter from the Chairman of the Steering Committee explaining exactly how the day passes work.

**Old Business:** None.

**New Business:** Clayton Williams made a suggestion about having a door prize given away at each club meeting. The officers will discuss it at their next officers' meeting and have it ready for discussion at our next club meeting; Zoe Hough will make a cake for our next meeting to get our cake raffle started again.

We held our voting for Mike and Carole Callea as new club members. **WELCOME TO OUR CLUB!**

The meeting was adjourned.

Respectfully submitted,

Rena Freeman, Secretary
