FROM

PRESIDENT

APRIL 1993

THANKS TO ALL OF THOSE THAT IGNORED THE WEATHER AND MADE IT TO THE MARCH MEETING. FOR THOSE OF YOU WHO WENT TO KNOXVILLE, IT WAS A JOB WELL DONE IN REMAINING ON ALL FOURS AND STAYING OUT OF THE DITCHES!

WELCOME TO OUR NEW MEMBERS, MIKE & KAT MCKENZIE AND MIKE TURNER. I HOPE YOU ENJOY THE CLUB AS MUCH AS I DO.

COMPETITION SEASON STARTED WITH THE CONCOUSE IN SPARTANBURG, SO SERIOUS WAXING AND BOLT TIGHTENING IS NOW UNDER WAY. I HOPE THIS WILL BE ANOTHER BANNER YEAR FOR Q.C.C.C.

WARNING TO ALL CLUB MEMBERS: I WOULD STRONGLY SUGGEST ATTENDING THE APRIL CLUB MEETING AND SOCIAL. FAILURE TO ATTEND COULD RESULT IN THE "WRATH OF LORI" COMING UPON YOU. LET'S DYE THOSE EGGS AND BRING OUR TENNIS SHOES.

I HOPE TO SEE EVERYONE AT THE MEETING & SOCIAL ON APRIL 10th AT DAVID & LORI CALDWELL'S.

HAPPY EASTER AND HAPPY CORVETTING!!

Mike

BY THE TIME YOU GET THIS NEWSLETTER, THE AUTO FAIR SHOULD BE IN FULL SWING.

THE "999,999" CORVETTE WAS PICKED UP SUNDAY IN SPARTANBURG BY BETTY AND LARRY GUNTER AND HAS BEEN CLEANED UP AND IS READY FOR THE SHOW. THIS CAR IS A BEAUTIFUL WHITE CONVERTIBLE WITH A BLACK TOP. THE "40TH ANNIVERSARY" CAR IS BEING PICKED UP TODAY (MONDAY) IN VIRGINIA BY MYSELF AND DON YOST. IT IS RED ON RED. (I BET YOU ARE WONDERING HOW AM I TYPING THIS LETTER AND DRIVING TO VIRGINIA AT THE SAME TIME!)

WE HAVE COMMITMENTS FOR AT LEAST 16 CORVETTES FROM OUR CLUB MEMBERS AND ALMOST EVERYONE HAS VOLUNTEERED TO WORK AT LEAST SOME OF THE TIME.

THIS IS A GREAT PARTICIPATION FROM OUR CLUB AND I WANT TO THANK EVERYONE FOR HELPING MAKE WHAT I KNOW WILL BE ANOTHER VERY SUCCESSFUL AUTO FAIR FOR SPINDA BIFIDA.

SEE YOU THERE!

THANKS AGAIN,

DURRAN COLEY
V.P. PUBLIC RELATIONS

TERESA TILTON

VICE PRESIDENT OF SOCIAL

For those of you that attended the meeting last month I hope you had a good time at Carlo's Italian Restaurant. Those of us that were "SNOW BOUND" in Knoxville wish we had been with you instead.

The trip to Knoxville was alot of fun. Betty and Rena "BROKE" me in. I now know how to make "SNOW CREAM", how to pack a cooler if you go on a QCCC trip and what the real definition of an "OUT HOUSE IS"!!!!!! For those of you that have not been on a QCCC adventure are sure missing a good time. I would encourage everyone to get involved and participate because you really have a good time.

I hope all of you plan to attend the meeting and social at David and Lori Caldwell's on April 10th at 2:00pm. Ladies put on your "BEST BONNET" and gentlemen put on your "BUNNY TAILS" and get ready for the "BUNNY HOP". Everyone needs to bring three decorated hard boiled easter eggs, your favorite covered dish, and your cooler of spirits. We have alot of fun planned for everyone. SEE YOU THERE!!!!!!

We have socials planned for May at the Chandler's, June at the Tilton's and for July or August at the Coley's. If you would like to have a meeting or social please contact me.

Private thoughts from a reeeal shy person...to be read with an Andy Rooney kind of an attitude...

You ever have one of those days when just about everything and everyone within arms reach makes a career out of getting on your last nerve? Simple little things seem to have a way of aggravating the John Brown out of you...

How about those mornings when you're already running a little bit late but you decide no matter what, you're going to brush your teeth? So you put toothpaste on your toothbrush and run it under the water only to watch it do an olympic-type nose-dive toward the sink drain that would make Mark Spitz envious. You with me on this...

You make several more attempts, all of which end in the same results---an empty toothbrush, depleted patience, and an environmentally hazardous case of morning breath. Before you know it you're a half a tube short of Crest and at least a full five more minutes behind an already tight schedule and because you no longer give a rat's assssparagus what four out of five dentists claim to be best for your teeth, you make the monumental decision, on behalf of yourself and anyone else with a vested interest in your oral hygiene, to forgo toothbrushing and re-schedule for a later date.

Instead, you decide to pop a piece of chewing gum into your mouth...because, as we all know, this will at least make it smell like you have brushed your teeth. You start chewing and suddenly your life has new meaning because you're back in control and making your own decisions and you just keep chewing and chewing and chewing.

You grab your car keys and get into your car to make your way to wherever it is that there are people expecting you to be. Traffic is moving along nicely. It's just you and your favorite morning disc jockey and your gum.

You start making the mental notes we all make when we are driving and CRUNCH...you bite your tongue! Your next move is obvious...get rid of the enemy! So you roll down your window at the next traffic light and spit your gum into the next planetary system as penance for it's betrayal. After all, you'll have no trouble-makers riding with you! If you wanted that you'd be in a car-pool!

Then you re-position your rear-view mirror and check to see if your injury warrants a detour to the nearest Pro-Med Center for a blood transfusion. Following this assessment of your early morning traffic injury your are now painfully aware that not only will you frequently re-injure this same place due to its swelling but that the rest of your day is hereby quite possibly doomed.

So...I ask you...you ever have one of those days?

FROM THE COMPETITION CORNER

WE ARE OFF AND RUNNING IN '93.

CLUB CORNER

The competition began last weekend in Spartanburg, SC, with a concours hosted by Spartanburg Corvette Club. A few of our members made the trip down and back in the rain to participate. I understand it is tough to drive in the rain without windshield wipers. Was that malfunction noted during tech inspection?

Congratulations to those of you who went and on your place of finish.

Those of us who made the trip were not sure we were going to make the return trip to Charlotte on Sunday. But after plunging through 18" to 37" of snow and 10 hours of driving, we finally made it home. What a relief!
