RAFFLE

PRIZES

AUGUST, 1993

HELLO, FELLOW CLUB MEMBERS!

I would like to introduce myself. My name is Mike Catoe, alias, "**PRESIDENT OF THE QUEEN CITY CORVETTE CLUB,**" for the year 1993. I am sure a lot of you have probably forgotten what I look like. Maybe this will help:

My hair is not as white as Jay's, I'm not as slim as Larry, I don't have Don's charisma, and I can't dance as good as Durran. I am the "big oaf" with the beard.

As you know, my personal and business life has not been the greatest this year, and the loss of my Dad has really been tough. Thanks to all of you for your concern and your support. A **very special THANK YOU** to **LARRY** and **all the officers** for covering for me at the meetings.

But now -- I'm Back!! Half of the year has gone and now it's time to get going. There is a lot of **RACING, SHOWING, AND PARTYING** to be done.

Let's all pull together to keep **QCCC #1** where we belong.

I hope to see everyone at the August meeting.

HAPPY

**JULY 17, 1993, MINUTES
QUEEN CITY CORVETTE CLUB MEETING**

The meeting was called to order. The roll was called and the July birthdays were remembered. There were 17 members and 1 visitor present. The minutes were approved for the June 11, 1993, club meeting as printed in the newsletter.

VICE PRESIDENT: Larry Gunter presided over the meeting in our President's absence. He told everyone we had some good raffle prizes to be raffled off at the end of the meeting. Also, we are running low on raffle prizes and need some donated. We will be raffling off a room at the Anderson Inn in Myrtle Beach for our beach trip at the August club meeting. The tickets will be \$5 each.

SECRETARY: An updated address list was given out.

TREASURER: Don Yost gave the treasurer's report as it appeared in the newsletter.

VICE PRESIDENT PUBLIC RELATIONS: Durran Coley gave a big thanks to those who participated in the 4th of July Parade in Coulwood. We also had a good time at the cookout at Jay and Rena's afterwards, and the NASCAR race pool was a lot of fun.

The fall Auto Fair at Charlotte Motor Speedway is September 16-19. This one will not be as much work as the spring one because we will not be selling raffle tickets this time. We will let you know later whether we will put our cars in Friday evening or Saturday morning.

VICE PRESIDENT OF SOCIAL: Theresa Tilton said we need to decide on a beach trip date. A discussion was held and September 10-12 was decided on. We will once again stay at the Anderson Inn at Myrtle Beach.

Thanks to Durran and Anna for having us at their house, and a special thanks to the Call Committee.

Friday, August 13, will be our next club meeting with a social afterwards. It will be at George and Theresa Tilton's house.

VICE PRESIDENT COMPETITION: Jay Freeman asked that we please read his report in the newsletter for the regional standings. We have some club members that are listed on it.

Thanks to George and Theresa Tilton for showing both of their cars in the Greenville car show.

Queen City is #1 this month, but there are two clubs very close to us. We need to work very hard to stay ahead and be #1 again this year.

A head count was taken for club members planning to attend the car show in Concord on August 22.

There are supposed to be low and high speed events at North, SC, on September 4 & 5.

25th Anniversary - We are going to have mugs made for the 25th Anniversary party. If you are not going to the party and want to order a mug, you may do so today. If you are going to the party and want an extra mug, you may order one today. They are \$3.00 each. We have 65 people registered to go as of now.

OLD BUSINESS: None

NEW BUSINESS: David Caldwell made a suggestion that the club consider planning a sanctioned rallye to the beach next year and then have a volley ball tournament over the weekend while we are there. This will be given some consideration.

A motion was made and second that the meeting be adjourned.

Respectfully submitted,

Rena Freeman

FROM THE COMPETITION CORNER

Well, NCCC Convention '93 is now history. I understand that most of the week was wet, but everything came off, including the drags. I have not spoken with Ruth Risdon or Mike Turner regarding their trip to convention or to gather more details but hope you had a good time, Ruth and Mike.

I have just learned that the regional racers are going to have more time to wrench on the race cars before the next scheduled speed events. The tentative events for Labor Day weekend at North, SC, are cancelled and will be moved to the weekend of October 2-3.

You waxers do not have as much time as the racers to get ready for your next event, which is August 22 at Beasley Cross Chevrolet in Kannapolis, NC. Believe it or not, some of our club members are going to attend our 25th Anniversary party on the 21st and also participate in the concours the next day. Boy!... talk about punishment, or is it points chasing?

For those of us who would like to do some racing, showing, and partying close outside the region, we can do so by attending and participating in events in Oak Ridge, TN, Mid-Ohio (registration form in Blue Bars), or Jacksonville, FL. Call me if you need further information regarding these events.
