QUEEN CITY CORVETTE CLUB INC.

HAPPY NEW YEAR!!!

Thanks to the 1989 officers for another good year for Queen City Corvette Club. We will know in a couple of months if we finished #1 in the nation.

We really have a lot to do this year in preparing for the 1991 Convention and need everyone working as a team/family to pull it off successfully. I'm looking forward to the challenge and expect your co-operation because I know you all want to show the entire NCCC a great Convention.

You can be a part of History in the making: No club has ever been #1 for 3 years in a row., no club has ever been #1 the year before they hosted the convention. We could do BOTH.

A calling committee of Jackie Profitt, Janet Anderson and myself will be calling you with reminders of meetings, events and to co-ordinate special functions at least once a month and probably more.

If you have any suggestions about how things can be better, tell any officer or put your suggestion in writing and give to any officer. PLEASE COMMUNICATE. We want this to be the best year ever and promise to work hard to make it enjoyable for all but remember, you only get out of something what you put into it.

Let's stay at the front as the BIG DOG. As Zoe says, Unless you'er the lead dog.the view never changes. Let's be the BIG DOG PACK.

Enough for now, suffice it to say that we need you, we'll be busy and we'er gonna have fun.

Best wishes and good luck!!!!!!

ZIG ZAG
The Leader of the Pack

POPTOP'S MESSAGE

POP TOP'S FINAL MESSAGE!!!!

I hope everyone had a Happy Holiday Season. We are looking forward to another great year in 1990. The Holidays have brought a time for families, parties and the birth of a baby boy to Craig and Penny Laufer on December 21, 1989. Congratulations! Both baby and mother are fine, and I understand the father has finally landed.

I would like to thank everyone for a successful year in 1989. We are again Number 1 in the Region, and because of the support and participation of club members, and with a little luck, we may again be Number 1 in the Nation.

We are going to close out the 1989 Season with the Club Banquet on January 20, 1990 at the Sheraton Airport Inn on Billy Graham Parkway and I-85 South. The cost of the banquet is a little bit more than we would like for it to be, however, for the meal we are getting and for the privilege of being entertained by a fine D.J., we feel the cost is justified. The cost will be \$35.00 per couple or \$17.50 per person. As stated in the By-Laws, all club members with up-to-date dues are entitled to attend and bring one guest at no charge. As of 12/31/89, we have four members with outstanding dues. Hopefully this can be settled prior to the banquet. Other people may also be invited as guests at the cost stated above..

The menu for the banquet will be as follows:

Baked Chicken with Stuffing
Country Ham AuGratin
Sirloin Tips with Noodles
Trays of Deviled Eggs
Trays of Assorted Relishes
Tropical Fruit Bowls
Trays of Fresh Vegetables with Dip
Waldorf Salad
Potato Salad
Macaroni Salad
Whipped Potatoes
Green Beans
Assorted Cheese Tray
Tossed Salad with Assorted Dressings
Rolls and Butter
Coffee and Iced Tea

We expect to have a good turn out for the banquet, but we also need to know how many people will be attending prior to the banquet date. Please come to the meeting on January 13, prepared to let us know if you plan to attend. We have a contract to sign with the hotel which states that we must notify them three days prior to the event of the number of people who will be attending. We will then be billed for that number of people. Please mark your calendars and let us know by January 13, so that we can make firm reservations. And again let me remind you that this is an expensive banquet, and we do not want to take money out of the treasury that could stay in there and be put to other use.

Again, thank you for the good year we have had in 1989. I have enjoyed once again being an officer of the club. I appreciate everyone's support and participation.

THAT'S ALL FOLKS!!!

MELVIN

VICE PRESIDENTS REPORT

HELLO, and HAPPY NEW YEAR to the entire Queen City Family . I hope everyone had a great Christmas. I know the Laufer Family did, as they were blessed with a new Baby Boy. For most of us, 1989 was a pretty good year. I would like to thank the club and my fellow officers for their patience as I have learned the ropes as your VP. It has been a learning experience that I look forward to continueing in 1990.

Congratulations to the Ladies and Gentlemen that make up our Intra-Club Champions of 1989. A lot of time, money and hard work were put in by all of them to obtain the top five (5) points postions (Final standing on reverse side). The officers and myself have made some minor adjustments to the Points System in a attempt to try to accomodate as many areas as possible, your continued support will be needed in the upcoming year to make this program successful.

Please take a few seconds to review the changes and additions, so you won't be surprised. It would be a good idea to keep your list handy for reference thru-out the year. It will take a team effort for EVERYONE to have a fun and exciting year. You can help! Be an active member in 1990.

THANKS,
DOG CATCHER

The primary purpose of the Intra-Club Point System is to encourage member participation in any National Council and Queen City functions. The system is set up to give everyone an equal opportunity to earn club points, whether they are racers, waxers, or just like to be a part of the group. The Intra-Club Points Champions for 1990 will be the people that made the most of their membership dues, not the one with the fastest car or slickest paint job. So come on out, get involved and see what it feels like to be the "Lead Dog" in 1990.

PERFECT ATTENDANCE AWARD 1990

QUEEN CITY FUNCTIONS

QUALIFICATIONS:

1. Member of Queen City all year.
2. Attend all regular Queen City Club Meetings.
3. Attend all Queen City Club Socials
4. Participate or work all Queen City Club Events.
5. Attend all Queen City Club functions announced in newsletter, or by calling committee as club functions.
(Spina Bifida Weekend, parades, homecomings etc.)

Greetings from your new Vice-President of Public Relations!! I would like to express my appreciation to all my supporters in the recent election for the resounding victory over my competition. I am really looking forward to the coming year as public relations manager since Jerry told me this job pays 50 grand a year and I get to drive the ZR-1 until convention. How lucky can a guy get!

I would also like to briefly interrupt the winter tear-down-and-rebuild season to remind you all that the World of Wheels car show will be coming up in late February and we need all the participation we can get, both in cars for the show (the club gets \$10 per car) and in sales agents for the Spina Bifida raffle tickets. Since this year's prize car is something called a ZR-1, anyone who has read an automotive publication in the last two years should be receptive to a chance to own one. The World of Wheels show will be February 22-25 at the Convention Center.

We currently have one more clean-up on our Adopt-A-Highway commitment and since participation in this project has been lacking in enthusiasm, we need to decide if we are going to renew the project for 1990.

I will also be looking for your participation in the usual array of parades, special appearances and half-time shows which give the common mortals of this area the opportunity to see up-close-and-for-real these mechanical marvels that we all take for granted. And if any of you get a request for our presence at a worthwhile event or have a new and creative idea for earning the club some favorable publicity (or cash), please let me know. The more visible we are in the community, the more new members we will attract and the more parking lots we will have access to!

So, I'll be looking for you at the next meeting.

Sincerely,
MR. P.R.
(Dave Profitt)

social report

I want to thank you for once again voting me in Vice President of Social.

I enter the year with much enthusiasm! I have some ideas of my own, but yours are greatly appreciated. If you would like to chair a social or just have an idea, please call me at 545-8168.

The first social of 1990 is the Awards Banquet. I'm sure that Penny and the other 1989 officers have put together a wonderful package and that we will all have a good time. So please make an attempt to be there.

Our February Social will be February 10 after the meeting, more will come on this in the next newsletter.

Again I thank you and urge you to call if you have any ideas. I look forward to seeing each and everyone of you at least once this year. AND REMEMBER IF YOU ARE NOT THE LEAD DOG THE VIEW NEVER CHANGES!!!!!!!!!!!!

VICE PRESIDENT COMPETITION

To all the Ladies and Gentlemen of Queen City

HAPPY NEW YEAR

Moving into this position is easy. Doing the job that Larry did will be extremely difficult. I hope that with the help of all members I can get going without many mistakes.

A lot of work will be underway this year to perpare the 1991 Convention. We will be asking for everyone to chip in so we can make it one to be remembered by all.

As events are planned and the points race begins again, I'll try to keep everyone aware of whats happening.
