To my fellow QCCC members:

Fasten your seat belts and hang on! Queen City Corvette Club continues to be on the move. Over the next 4 months we will have members participating with Corvette events in NC, SC, IL, CO, PA, KY, & TN. ***"round round get around, we get around."*** Most of these events are Corvette Shows, Corvette Conventions, and in KY we'll have a Corvette Caravan to tour the Corvette Museum and Corvette manufacturing plant. In this newsletter issue, you can find out how to get in on the Corvette action and sign up to join us on some Queen City Corvette Club summer adventures.

I want to extend a huge accolade of thanks to all of those that helped to make our Speed Events successful. Several guests were impressed that QCCC had so many volunteers to work that were not racing. Thanks to Bob Denney, our VP of Competition, for leading us through this challenging and sometimes stressful event. This is the halfway point of 1999. Our work is mostly behind us. Lots of fun activities planned ahead. Don't be left out. Come join us.

I want to extend Happy Independence Day wishes to everyone. I would also like to encourage you to participate in one of our local community July 4<sup>th</sup> parades. They are very patriotic. After all, Corvettes are made in the USA. Jeff Estridge has the details listed in his P.R. report.

Have a safe summer and I hope to see you out and about in your Corvette soon. Visitors are welcome. Invite a Corvette owner to be your guest at our next QCCC meeting.

Sincerely,

Jon Elliott

# Purple Racer Report

I truly hope that our cover this month doesn't reflect anyone's garage ....summer is the time for crusin....check your calenders for all the upcoming events the club and Nancy's got planned.

I want to thank all that turned out for the Parade of Lights last month...we had the largest showing yet...and "made" the parade according to several who wrote the editorial pages of the Observer...that said ....remember .....tire spinning is NOT ALLOWED... AT ANY OF THE PARADES WE ARE IN !.

We've got several parades coming up for the 4th of July holiday

*July 3rd*  
#1 is the traditional Coulwood Parade ...Jim Campbell is going to be in charge here ...all participants need to meet Jim at the Amoco on Hwy 16 @ Lawton Rd ...need to leave by 8:00 .... Parade starts at 9:00

*July 3rd*  
#2 is the Waxhaw Parade...participants here need to meet me at the BP store on Providence Rd in Weddington at 8:30...parade starts at 9:30

Remember to bring red..white...and blue decorations, flags..etc ... and that all important candy for the crowds

Since both parades start at nearly the same time ..and are on opposite sides of town....we're going to split the club up so that both get as many cars as possible and no members have to drive forever to help out....I'll be calling in the week before the parades ...or you can call me if you want to be a part ..

Til next month      SAVE THE WAVE ~~~~~

# Ruby Beauty Report

Congratulations go to R. C. Murdock. R.C. raced in the Southern Corvette Club's Drags at Darlington on the weekend of May 15th. He placed first in his division. R. C. should we tell them that you was the only one in your division so you only could earn 7 points per event? Yep, that was the case.... R.C. won 28 points. Added to the previous announced totals, we now have a total of 111 points going into this week's Autocross Event.

Those of you who were unable to attend our Autocross this past weekend missed a bunch of fun. We had a total of 46 people race Saturday and 36 race Sunday. A small accident, a car jumped one of the curbs, results... a bent rim and a bad alignment. We had a couple come all the way from Chicago, Frank and Nora Cummings. They are running for National Points. To those who did come out and help, with the timing; Gina Padgett, Larry Gunter, Jon Elliott, you folks did a super job.... even under adverse conditions.... namely me.... The cooks... Jane & Eddie Burt. When you need Great Food we have the best cook going. Thanks folks. Registration ... Pauline, Gina, Nancy and Jane. You got all us Racers registered and moved on to Jay and his crew. The Tech crew, Jay Freeman, Larry Gunter, Bob Runnion. The corner workers; Don & Hilda Yost, John & Drew Calhoon, John Meadows, Joan Hauck, Scott Hamilton, Bob Run-on, Al Freeman, Chuck Sollard, Ted Fischer, Fred Fischer, Pauline Gray, Mike & Chris Cash, you all were real troopers ... sitting at their corners fixing the downed cones with very few breaks. Scott Hamilton enjoyed himself so much Saturday, after soaking up all the sun, neither he nor the sun could come out Sunday. And our resident starter.... Jeff Estridge. Jeff gave us all the sob story about his back hurting .... just so he could go lay down and catch his beauty nap..... Jeff it didn't work. Thanks Jeff for a good job. There were so many people who worked this weekend that I probably missed naming someone. Those of you who were able to come out and help really made this Autocross a success. Thanks All. PS I think Eddie will thank you to..... Even though I don't know what the financial results will be.... I think we made money, I know most people enjoyed themselves.

There is one person who worked with the timing people and as a runner all weekend who is not even a member of the Club, but he really worked his tail off. Many of the Racers commented how dedicated He was to getting the information posted. That person is Tim Fischer. Tim jumped right in where he saw a need and performed expertly all weekend. Tim this Club thanks you and I thank you ... you are a real asset to any organization.

We were a little short of QCCC racers. John Meadows and I were the only QCCC racers. We missed the rest of you and you missed a real good course. We ran the course in sets of 2 and 3 heats at a time. I think most of the participants enjoyed this format ... at least I did. The rain Sunday didn't really slow the race down as much as changing a couple of gates. Boy want to slow down a bunch of pro's .... just add a gate or two. Would you believe just adding a cone, and a sweep slowed the field down 5 seconds.

**The Sectional at Kershaw, SC for the July 4th weekend has been Canceled due to track repair.** We will keep you informed on another date when or if it gets rescheduled.

JUNE NEWSLETTER**

**We still have a busy year ahead. Hopefully, we are doing something that you will be interested in.**

**The following is the clue for the \$200 for June:**

Please turn left at the first street and then turn left again. If you are sick you could stop on the left but don't do that today as it could keep you far too long when you should be on your way. \_\_\_\_\_ E is the letter for June. Name of the establishment please not the street.

The June meeting was held at Jay and Rena Freeman's home. There was a good turn out and we thank Jay and Rena for their hospitality.

The July meeting will be held on July 10 at 5:00 p.m. at Good 'ol Days at the Arboretum Shopping Center at the corner of Providence Road and Highway 51. We will have a showing of cars at the top of the parking lot from 5-6 with the meeting starting at 6:00. Bring your chairs and enjoy talking to your fellow club members.

On July 17 the Corvette Club has rented a shelter for the entire day at Latta Plantation in northern Mecklenburg County. There is boating, the bird sanctuary and the Latta Plantation house itself. The menu will consist of all kinds of different sandwiches, fruit and desserts. The call committee will be contacting you about what you would like to bring. This again is a family outing. A map will be provided in the July newsletter.

All of the folks that went to Marietta, Ohio were treated to a wonderful time. Their club is a lot of fun and consists of some wonderful people. Wish more of you could have gone. Some of these folks hope to come to the Hendersonville outing in November to meet more of the Queen City folks.

## **June 1999**

*The June 12, 1999 meeting, held at the home of Jay & Rena Freeman, was called to order by our Vice President, Scott Hamilton. Thanks to Jay and Rena for hosting our meeting.*

*May 1999 minutes were approved as published.*

*Bob Denney discussed QCCC's autocross event to be held on June 19-20 at Knights Castle. We will need workers. Fred Fischer will be managing the workers. Looking at running multiple laps which is quicker and a lot more fun. First car out will be at 9:30 a.m. All workers will need to be there around 7:30 a.m. Please see Bob if you have any questions or suggestions regarding the events. The Sectional will be held July 4th at Carolina Motorsports Park. There will be three low speed events and four high speed events. Convertibles will need roll bars. Looking for volunteers to work the event. R.C. Murdock took four 1<sup>st</sup> place runs at the Darlington Drags! NCCC need people to volunteer for some national offices. See Bob if interested. North AFB races have been moved to Barnwell.*

*Eddie asked if anyone had any questions or comments on the Treasurer's Report as published in the newsletter. He is taking reservations now for rooms for the October 1<sup>st</sup> & 2<sup>nd</sup> beach trip.*

*Jeff mentioned that we have been asked to participate in several 4<sup>th</sup> of July parades. More details to follow in newsletter or call Jeff.*

Scott asked if there were questions or comments to be made on the proposed by-law changes. Discussion ensued regarding making it mandatory for QCCC members to join NCCC. ## **Officers Meeting 6-23-99**

Meeting called to order at 7:00. Jeff Estridge was absent.

Eddie reviewed the Knights Castle event. 42 participants – total profit of \$1335.55. Food concessions out of the total profits were \$47.45 plus some leftover inventory. Discussion ensued about how 10 events helped to encourage driver participation, without having to share proceeds with other club that donated 3 additional sanctioning numbers. Concession stand was a nice added convenience and a good time was had by all. We suggested writing down suggestions for future workers and organizers. Bob Denney putting together a “check list” for the archives.
