### MAY MINIUTES

Jerry called the meeting to order and welcomed everyone. He also announced that Doug Waller and David Benton had met the qualifications and would like to be voted on. Jerry thanked everyone for participating in the Car Show in Maggie Valley and for helping work the concession at the Charlotte Motor Speedway.

Jenny called the roll. Vernon Bridges sent a letter of resignation he has sold his car. John and Jane Freeman are the proud parents of a new baby girl.

Scott went over the All Night Speed event and announced it had been stoped short due to a city noise ordinance.

Zoe went over the Social at Durran and Anna's on June 9th, with everyone bringing a dish. She also went over the activities at the Charlottte Moter Speedway and our concession stand. We are to get 12% of what we bring in at the stands.

David Profitt spoke about the advertisement for the all night event and suggested maybe we could pay for some the advertisement next time.

Betty went over the competition report:

Insurance Waviers need to be kept by the club for ten years (originals). Minors Insurance Waviers to be signed by the parent or legal guardian.  
K & K finally paid for the 1989 convention damages

The 1992 inhouse give away car will be a 1982 Silver two-tone.

The raffle tickets from the 200 club that are missing will have to be payed for by the club if are not located.

There will be a sub-committe of the Charity Comm. which will be Disaster Fund/Scholarship Fund for NCCC members. Examples: Hugo, Earthquakes and personal disasters

Remember the sectional September 1 & 2!!!!!!

Janet gave the Treasurers report. 2nd quarter dues are due now. The Spina Bifida Family Weekend will be September 22, 1990 this year. Janet made a proposal that the club pay Jerry's gas and lodging to attend the Convention Steering Committee Meetings until National Council starts to pick up the tab in November. the proposal was seconded and approved.

Jackie spoke about the progress with the T-Shirts, asked the club if they would like for her to investigate Convention hats. She then passed the order forms around for members to order their shirts for the convention in 1991.

The meeting was then adjourned.

Respectfully submitted,

Jenny W. Stevens  
Secretary

I want to thank everyone who came out and helped at the Charlotte Motor Speedway. I'm not sure but we probably made right at 500.00 dollars, not a lot for all the work but it's 500.00 we didn't have and every bit helps. we should have our check by the club meeting so we'll know for sure then.

Don't forget our social after the club meeting Saturday. bring your swimsuits, the weather should be great. other things you should bring are:

hamburgers/hotdogs

your own buns (bread)

BYOB

chairs

Soft drinks will be furnished.

so bring the kids and lets have a good time.

Thanks to Anna and Duran for their hospitality.

ZOE

Greetings fellow members!

Contrary to popular rumor, I did not slither away into the night nor have I been hiding under rocks. Nay, I am still around, lurking in the shadows where you least expect me. Waiting. Watching. And what I see is empty seats at club meetings where familiar faces have sat before. I see vacant spots at car shows where members who clamored for concours could have sat waxing, polishing. And, alas, even the scream of engines and the squeal of tires have failed to bring out all of the old familiar cone draggers. I hate to say it, but this is not the scorecard for NCCC #1 for 1990!

On the flip side, I would like to welcome our two new members as of the last meeting, David Benton and Doug Waller. Welcome aboard, guys!

A reminder: to those of you who encounter a prospective member, please take the time to: verify that he or she does meet the requirements for membership, get the necessary data to get them on the newsletter list, and then stay in contact with them to make sure that they received the newsletter, and encourage their continued interest. This is what points are awarded for.

On parting, be advised that there is virgin pavement (more or less) waiting to be broken in at Providence High School later this month. There's no "wall", it's not too far away, and it's not a holiday, so no excuses except for cowardice will be accepted for not showing up!

Your always sometimes on the job VP?PR .....Dave P.

# vp competition

The past several weeks have been busy with working at Charlotte Motor Speedway, club meeting, and a concours in Maggie Valley all in one day. We had 14 racers at Rockingham with several other fellow club members who worked or gave us moral support. There was a delicious barbecue sponsored by B.F. Goodrich. The important thing was that we all came back in one piece. Sunday, June 3rd, there was a concours in Winston Salem. Q.C.C.C. had 8 cars participate. On June 23rd and 24th Chevy's Under Glass will hold 7 events at Providence High School. I urge each and everyone of you to come out and participate (it's in our own backyard). We must have 100% club participation by working or driving, if being # 1 is our goal (Atlanta is going for the BIG 1).

Remember the insurance waiver must be signed by everyone and parents or guardians must sign a minor insurance waiver.

I have included an updated schedule on a separate page. Also, everyone's N.C.C.C. number and an unofficial regional points total is included.

At the June 9th club meeting there will be a sign up sheet for the South Sectional. We must have everyone willing to help with something -- registration, tech, corner workers, timing, posting, and calculating results.

Betty
