DATE: Saturday, June 13, 1992

(Note day and time change)

TIME: 5:00 P.M.

PLACE: Clayton and Ruth Williams Corvette Condo

# PRESIDENT'S REPORT

Dear Fellow Club Members -

**ARE WE HAVING FUN YET? YOU BET!**

Since our last newsletter we have had several fun activities and functions -- Our May meeting was followed by some good socializing and a great spread of food for stuffing our tummies -- We attended the World 600 Parade of Lights parade followed by a fantastic fireworks display and a GM party at the Government House Hotel, thanks to Melvin Pace -- The latter part of the month a few of us "diehards" went racing at Talladega, Alabama, and had a great time -- Oh! I almost forgot one trip to Indianapolis to observe the time trials, some great scenery, and attend a few meetings, added to a great time.

All-in-all, the month of May was very enjoyable. We had some new faces join us and some we had not seen in a while. We missed those of you who were not able to join us. A good time was had by all. Won't you join us at our next scheduled function? See contents of your newsletter for times and places.

\*\*\* Please bring to the club meeting on June 13, 1992, your written suggestions on how you would like to spend part of the convention profit or drop me a note in the mail.

I would like for each of you to join me in welcoming our newest club member, Jim Campbell. Jim, welcome aboard.

Your President,

"Jaybird"

Being V.P. is a harder job than I thought. Keeping up with the points is not that bad and holding the raffle each meeting is fun. The hardest thing to this position is coming up with something to say in the news letter each month. Well here goes one more try! If you missed the May meeting-social you missed a good time and some damn good food. Also, the entertainment at the Festival of Lights Parade was GREAT! (No names mentioned please) At the party after there was some good food and a few "almost" NASCAR drivers there. Earnhardt "real driver" was not present but was definitely present at the 600. Thanks again for the great raffle prizes. The raffle is going much better than we ever thought.

P.S. Always remember Chevrolet & Corvette are the undisputed CHAMPIONS!

*Mike E. House*

Twas the autocross season and throughout the land  
The racers were talking and making their plans  
The engines were checked and the cars had new shoes  
All held together by wire, tape and glue

When out went the cry to all who could hear  
Let's all get together for a good time this year  
We'll stick close together and do all we can  
Making new friendships and lending a hand

So into the trucks, with trailers in tow  
It's off down the road to the races we'll go  
There's Jaybird at the front door leading the pack  
Then Crash right behind him who knows the way back

There's Jabber Jaws and her friend, Ratchet Mouth  
Then Pop Top, Dancing Debbie and Mikey Mouse  
Chargin's Marge and "tire-less" Don are on the move  
With Sha-ron and Roy Boy, and Tricky Rick, too

And don't forget Lisa, you know, the new kid  
Who took to the sport with a screech and a skid  
Dandy Don and Lady Maureen keep all us in line  
So no one gets lost and we make it on time

We unload the cars, and shake out the bugs  
Fill up the gas tanks and then tighten the lugs  
Climb in the seat, put your helmet on your head  
And from this moment on--your hairdo is DEAD

Run faster, and harder, don't you dare stop  
Leave your foot on the gas and you'll end up on top  
Before you know it, you've made your last run  
But the party's just starting--when the racing is done

If this sounds like something that you'd like to do  
Then please come and join us--we're waiting for you  
When we get together we really have fun  
It's not just for us--it's for everyone

**4TH OF JULY SOCIAL AFTER COULWOOD PARADE**

**DIRECTIONS TO JAY & RENA FREEMAN'S HOUSE**

**CHOICE #1.** If you travel I-85 South, go passed the truck weigh station and across the Cameron Morrison Bridge. **Exit off to the right at the first exit onto Hwy. #273 toward Mt. Holly.** As you start to enter Mt. Holly, you will come to an intersection with a McDonald's on the left. This is a new bypass of downtown Mt. Holly, and it takes you to Hwy. #27. (You will go under the railroad and immediately take a left onto Hwy. #27 West.) You are now on your way to Stanley. As you come into Stanley, there will be several stoplights. Proceed on through this little town on up the highway to the "big" town of Alexis. We have a post office and country store on your right at the crossroads of Alexis. There is also a stoplight. **TURN RIGHT** at the stoplight (Alexis-Lucia Road) and travel approximately one (1) mile to a fork in the road. Take the **LEFT** fork (Mt. Zion Church Road) and travel approximately one (1) more mile. You are now at a sign on your right that says **MT. ZION BAPTIST CHURCH**. **STOP. TURN LEFT** onto the driveway of our house.

**CHOICE #2.** If you travel Brookshire Freeway, also Hwy. #16 North, stay on this 4-lane highway until it narrows to 2-lanes (approximately 15 miles). Travel approximately 2 more miles to **LOWESVILLE** to a stoplight. **TURN LEFT** onto The Old Plank Road. You will see a **NATIONSBANK** on your right. You will travel on this road until you see **FAITH BAPTIST CHURCH** on your left. The first road to the **LEFT** after the church will be **MT. ZION CHURCH ROAD** (approximately 5 miles). **TURN LEFT** onto this road. You will cross over two small bridges. After you cross the last bridge, you go up a hill and around a curve to Jay and Rena's house (approximately 3 miles). When you see the **MT. ZION BAPTIST CHURCH** sign on your left, **STOP** and **TURN RIGHT** onto our driveway.

\*\*\*\*

If you are attending the Coulwood parade, you can follow us home. This is about a 20 minute drive from the parade site. If you cannot participate in the parade on July 4th, please plan to come on to the social afterwards. We will be back at the house by 1:00 p.m.

Choice #2 is the side of town we will be on for the Coulwood parade.

## V. P. OF SOCIAL'S REPORT

TO: All QCCC Members  
FROM: Vince Sciabica  
DATE: May 31, 1992  
SUBJ: JULY 4TH PARADE AND SOCIAL  
AS WELL AS THE WINSTON-SALEM  
CAR SHOW

Thanks to everyone who attended the QCCC social on Sunday, May 17th at the Corvette Condo. After a slow start, numerous members brought many delicious covered dishes that were enjoyed by all. Much talk and bragging about the Indy trip events and pictures were the main topic of discussion. A good time was enjoyed by all.

The Winston-Salem concours car show will be held on Sunday, June 7th. This show has always been very successful in the past, and all participants have received a trophy or a plaque. Let's have a good club showing. The Call Committee will be in touch with everyone for going up together.

A social is planned for Saturday, July 4th, 1:00 p.m., at Jay and Rena Freeman's immediately following the parade. (See enclosed directions.)

More details on these events can be found in the other officers' reports.

Look forward to seeing all of you at the upcoming QCCC activities!

Fun! Fun! Fun!!! That is what we had at the Festival of Lights Parade. We had 11 club members plus Carter and some friends watch the parade together. Then we went to the G. M., V.I.P. Fireworks Party. A big thanks to Melvin for the invitation.

There will be a Q.C.C.C. Reunion Committee meeting on Tuesday, June 9th, at Larry and Betty's house at 7:30P.M., anyone wishing to attend please do so. Also, on Wednesday, June 17th, there will be another Reunion meeting at Tommy Mithem Material and Handling. We still need names and addresses for the years of 1978 to present. Enclosed in the newsletter is a map to Mitchem's.

We will be participating in the Fourth of July Coulwood Parade. Meet at the Texaco on Highway 16 and Oakdale Road at 8:00 A.M. The parade starts at 9:00 A.M. and will last approximately one hour.

Thanks to everyone for all their help and participation.

**MAY 17, 1992, MINUTES  
QUEEN CITY CORVETTE CLUB MEETING**

The meeting was called to order. The roll was called and all May birthdays were remembered. There were 17 members present and 4 visitors. The visitors were welcomed by the President.

The minutes were approved for the April 10, 1992, club meeting as printed in the newsletter.

**VICE PRESIDENT:** Mike Catoe said he did not have anything to discuss other than to remind everyone that the raffle would be held at the end of the club meeting. The raffles are going well.

**SECRETARY:** Nothing to report.

**TREASURER:** Ruth Williams went over the treasurer's report that appeared in the newsletter in more detail. She said that second quarter dues are now due.

**VICE PRESIDENT PUBLIC RELATIONS:** Betty Gunter said that since we could not be participants in the "Festival of Lights Parade," we will have a tailgate party in the parking lot on the corner of 3rd Street and Davidson Street. We will meet around 6:00 p.m.

We will hold another 25th Anniversary Reunion meeting on June 17 with some of the prior club members. Our now present club members will meet at 7:30 p.m. on Tuesday, June 9, at Larry and Betty Gunter's house to get our information current and up-to-date. Everyone is encourage to come and help.

We have been asked to participate in the 4th of July parade in Coulwood again this year. The parade will be from 9:00-10:00 a.m. We will meet at the Texaco station on the corner of Hwy. #16 and Oakdale Road. More on this later.

629 tickets were sold at CMS Auto Fair. Everyone was pleased at NCCC to hear how well we did. Anyone that still has outstanding tickets needs to turn them in.

**VICE PRESIDENT OF SOCIAL:** Vince Sciabica said he had pictures from the Indianapolis trip for anyone who was interested in looking at them. He mentioned that he was writing an article for Blue Bars concerning our weekend where we were busy selling Spina Bifida raffle tickets at CMS Auto Fair and simultaneously running our speed events at Knights Stadium. He also encouraged everyone to participate in the car show to be held in Winston-Salem on June 7.

**VICE PRESIDENT COMPETITION:** Larry Gunter gave out the new Regional Directories. The book shows that we have 34 members and Spartanburg now has 35, which makes them the biggest club in the region.

**Upcoming Events:** South Sectional at Talladega, Alabama. We will be leaving at 6:00 p.m. on Friday, May 22.

June 7 - Concours in Winston-Salem.

June 20 - 3 drags at Mooresville.

June 27-28 - 6 low speed events at Knights Stadium.

I have extra National or Regional patches or tire gauges for anyone who will ask for them.

**OLD BUSINESS:** Jay Freeman said the time is being extended to the next meeting to bring in your suggestion for ways to spend some of the Convention '91 money because we have so many members out-of-town.

Don't forget to look around for old trophies or award plaques to be turned in for recycling.

Has anyone remembered where the missing fire extinguisher is?

We still need to set a date to take a picture for "Club Corner" for the magazine article.

We need to be coming up with ideas for the sterling silver bowl to take to convention this summer to be presented to the Texas club. Give any ideas you may have to Debbie Catoe.

**NEW BUSINESS:** Jim Campbell asked to be voted on to join the club. The voting will be held after the meeting is adjourned.

QCCC now has business cards with a place to put your name as a member and your phone number.

We have new club shirts. T-shirts will be sold for \$6 each and the golf shirts will be sold for \$10.

A motion was made and second that the meeting be adjourned.

WELCOME to Jim Campbell as a new club member of Queen City Corvette Club.

Respectfully submitted,

Rena Freeman

# WOOOOOW CHECK-UP

Well, you missed it! The Freemans and Gunters went to the South Sectional in Talladega, AL., and had a ball. If you enjoy autocrossing, you must run this track at least once. Would you beleive nine turns and you can see the entire track from pit road. It was a healthy trip, but we all had a good time and returned safely. That is the main thing.

The upcoming schedule of events follows. There is a versital listing for the month of June - Car Show, Drag Races, and Autocrosses. A little something for everyone, so come on out and join us. The Gunters are planning to attend all of the events and we would certainly welcome some additional participation and company.

The 1991 Regional Championship patches have arrived and will be available at the June meeting.

Keep up the good work and hope to see you at an upcoming activity.
