V. P. OF SOCIAL'S REPORT

IT'S SUMMERTIME...SUMMERTIME...SUM...SUM...SUMMERTIME...and what does this mean? PARTY TIME...PARTY TIME...PARTY...PARTY...PARTY TIME, and that's just what we did after the May meeting. Thanks again to Lee and Sue Chandler for having the meeting at their home and the great "potato" social afterwards.

We are taking a social break this month for the June meeting. Every once in a while we need to get down to the basics and just discuss business. After the meeting, we will be going to T-Bones on Tyvola Road to eat.

Then for the month of July, it will be POOL TIME...POOL TIME...POOL...POOL...POOL TIME. Durran and Anna Coley have offered their pool side for a meeting and social on SATURDAY, JULY 17. Keep this date open, because rumor has it that these parties are always a "hugh blast." Anybody remember last year?

Beach plans are still in the works for mid-September, so keep reading your newsletter for beach information.

Teresa Tilton,

(Alias Rena, 'cause the fax machine don't work no more.)

V. P. OF PUBLIC RELATIONS' REPORT

ATTENTION!

ATTENTION!

Well, it looks like it's time for our first parade of this year. The annual 4th of July parade will be held this year on Saturday, July 3, at 9:00 a.m.

We will meet at the Texaco service station on Highway #16, North, (Brookshire Blvd.) and Oakdale Road at 7:30 a.m., as we need to be at the Coulwood Elementary School at 8:15 sharp. This is always a fun parade and has a good turnout, so we need everyone to bring their Corvette and participate.

After the parade is over, we will journey to Jay and Rena's house for hamburgers and hotdogs. All you need to bring is your own drink (you know the "old rule," BYOB).

Hi Gang!

Well spring is finally here and its been a long, hard, cold winter. Thank mother nature for needing a heated garage to store the toys out of the harsh elements. The car show season is about to begin. Hope everyone is feverishly cleaning and polishing their American pride and joy. Is anyone headed out to Indy for the time trials to look for those lost pictures? Was that a 36 or 50 exposure roll of film?

If you're planning to be in New York don't forget about Vette Magazine's concours at the corvette hall of fame in Cooperstown May 22 & 23. Keep your eyes peeled to the pages of Vette Magazine, maybe i'll get lucky and make a few of the pictures from the show, or maybe one of the upcoming road tours.

I guess it is time to make a tough decision based on the long distance between the club and myself. With great sorrow and many fond memories I do hereby resign as a QCCC member in good standing(check enclosed). I will be joining the NCCC club Vettes in Perfection (VIP) LTD. in New York.

There will always be a special place in my heart for Queen City Corvette Club. You have all meant the world to me. I will always remember the great times we had together.

If there is ever anything I can do for any of you, please do not hesitate to call me at (518) 482-7574.

I am planning to attend Corvettes at Carlisle in late August, hope to see you there, and as always--don't forget to wave!

Your friend always,

**MAY 15, 1993, MINUTES
QUEEN CITY CORVETTE CLUB MEETING**

The meeting was called to order. The roll was called and the May birthdays were remembered. There were 25 members present. The minutes were approved for the April 10, 1993, club meeting as printed in the newsletter.

VICE PRESIDENT: Larry Gunter said he did not have anything new to report, but we will have a raffle at the end of the club meeting.

SECRETARY: Rena Freeman gave out new address lists.

TREASURER: Don Yost gave the treasurer's report as it appeared in the newsletter. He also told everyone that we have club t-shirts and license plates for sale.

VICE PRESIDENT PUBLIC RELATIONS: Durran Coley thanked everyone again for all their help at the CMS Auto Fair. We raised over \$10,000.

He then said that since we could not be participants in the World 600 Parade, we would have a tailgate party at the parade while we watched the it.

VICE PRESIDENT OF SOCIAL: Teresa Tilton thanked Lee and Sue Chandler for having the meeting and social at their house.

We are making tentative plans for a beach trip on September 17. She then asked everyone to please read your newsletters for what is coming up.

VICE PRESIDENT COMPETITION: Jay Freeman told everyone that due to Oren Hudson being sick, the regional governors meeting had to be cancelled. Therefore, his information regarding upcoming events was limited.

He reminded everyone about QCCC's events on the upcoming weekend and that everyone's help was needed.

With regard to the events in North, SC, members planning to go are to meet at the Welcome Center rest area, which is the first exit passed the Carowinds exit, at 6:30 a.m. on Saturday morning, June 5.

OLD BUSINESS: **25th Anniversary** - The next meeting will be held on June 7 at 7:00 p.m. at Larry and Betty Gunter's house. Everyone was reminded to send in their reunion money if they had not already done so.

If anyone has any trophies they would be willing to donate to the NC Chapter of the Spina Bifida Association, let an officer know so we can find out how many they would like to have.

NEW BUSINESS: A request was made that we provide restroom facilities at our speed events if Knights Stadium was closed.

A motion was made and second that the meeting be adjourned.

Respectfully submitted,

Rena Freeman

FROM THE COMPETITION CORNER

He flies through the air with the greatest of ease, the daring old man who was brought to his knees, so I was told.

For those members who did not make it to Knights Stadium, you missed a great Sunday performance put on by one big block, high flying Corvette. I can tell you from experience that seat belts and helmets do work. Just ask me. Use them!

We had a good turnout for our Saturday events at Knights Stadium and the Free Wheelin' events on Sunday, and we made a little money. Congratulations to all the participants and workers and thanks for supporting your club!

The Gunters and Chilucks embarked on Talladega over Memorial Day weekend to represent QCCC and participate in the South Sectional. From preliminary reports, I understand a good time was had and the cars were brought back all in tact. Congratulations!
