April 25, 1999

To my fellow QCCC members:

April was a great month for QCCC. AutoFair was bigger and better than ever. Our first Caravan to Charleston, SC was a huge success. Thanks to Bob Denney for sharing his vision and providing the leadership to orchestrate this wonderful trip.

My favorite time of year for the Queen City Corvette Club is May. Why? We have so many fun activities planned for our Corvettes. Zoo Trips, Parades, Hot Air Balloon & Air Shows. May is also a great time to invite other Corvette owners to be our guest.

First of all, we are traveling to the NC Zoo in Asheboro, on Saturday, May 1<sup>st</sup> for our QCCC sponsored Spina Bifida day. Attendance of 75-80 is expected. This includes the parents and siblings of 20-25 children that are stricken with this crippling birth defect. This event is sponsored completely by QCCC as a result of funds raised during our 1998 calendar year. It is a joy to see the excitement of the children as we offer to give them a ride in our Corvettes. QCCC has supported the Spina Bifida Association of NC for several years through the Camp Care Free weekend. The zoo trip is new and needs your support. Please make plans now to attend. **Call Bob Denney for more details.**

Next, we have our regularly scheduled May business meeting and social, hosted by Pat & Fred Fischer. The details are mentioned on **Nancy Runnion's Social report**. Proposed changes to our by-laws will be voted on during this meeting.

Enclosed is a flyer on the Burlington, NC Balloon Rally and Air Show, Saturday, May 15<sup>th</sup>, benefiting the Hospice League of Alamance County. This year we were asked to provide Corvettes for the Pilot introduction parade. What a beautiful fun time, especially when you plan to stay to see the evening balloon launch. Corvette clubs from Greensboro and Concord are joining us at the Burlington airport. Bring your camera. **Call Bob Denney for more details.**

Also as you all know, Winston Cup racing comes to Charlotte in May. This means that QCCC will once again be participating in the Festival of Lights Parade.

Tuesday, May 25<sup>th</sup> is the parade date. **Call Jeff Estridge for more details.**

Queen City Corvette Club has a link on the Chevrolet web site. We are currently 1 of 24 Corvette Clubs listed. Look it up. [www.chevrolet.com](http://www.chevrolet.com)

AutoFair was great! Our new signs were displayed around the winner's circle. There wasn't any mistake on where to find Queen City Corvette Club. AutoFair attendance was up 33% from last year. We had plenty of '59 Corvette posters and QCCC info to hand out. Several visitors stopped by our display, including H.A. "Humpy" Wheeler, President of Lowes Motor Speedway, and Tom Smith, retired CEO of Food Lion.

### **A Personal Note**

Dan McCrary is a very talented Automotive Artist from Charlotte. His works are usually on display at AutoFair, inside the tent. Last year Dan decided to produce a watercolor from a photo he took of George Tilton's '68 and my '63 parked together. Obviously, George and I thought it was a beautiful painting. We could not figure how to justify purchasing such an article of art and sharing it with each other 6 months at a time. We also did not want to see this piece end up across the country in the possession of stranger.

On Saturday morning during AutoFair, I stopped by to see Dan and saw a disappointing "SOLD" sign on the painting. I walked away with the attitude of "it just wasn't meant to be". Saturday evening as things were beginning to wind down, my brother Stephen stopped by for a visit. As we were walking and talking, we passed by Dan McCrary's booth. Stephen handed me an envelope with a very sentimental note in it and proceeded, much to my surprise, to give me the painting.

As soon as I got home, I called George. He now has a picture of this painting in his Sanford, FL den.

Sincerely,

*Jon Elliott*

I know that everyone who went on the trip to Charleston had a great time. It was wonderful weather and very well planned. We need to give a big thank you to Bob Denney who planned the weekend. He did a great job.

The following is the clue for the \$200 for April:

At the next light please don't go right, but turn towards the Center, and then turn left again before you enter. Drive on down the road towards the east and don't give up, you are not beat.

\_\_\_\_\_ P is letter for this month

The meeting on May 8 will be held at Pat and Fred Fischer's home (**552-7570**) at 6:30 p.m. Their address is 8317 Prince George Road in Charlotte. Directions are enclosed:

# Ruby Beauty Report

**Membership in NCCC is up to 56 ..... We are now the largest NCCC Club in the Caroline Region.**

Another AutoFair is history. Strange not selling Go Cart tickets.... nice but Strange. I think we should think about peddling something else for the Fall show and definitely next spring. Maybe as someone suggested a set of tires.... Think about it and lets have some discussions. Congratulations go to the Show winners. Bucky Feagans Red 63 Split Window placed 1st, Criss Andrews 91 "Z" (Trailer Queen? naaaaa..... ha ha ha... just kidding Criss) placed 2nd, Jon Elliott's Gold 63 Split Window placed 3rd (Jon had the misfortune of having a sign fall on his car .... while it was inside the tent), John Calhoun and his son Drew's Green 70 placed 4th, and Harry Wolle's 96 Grand Sport placed 5th. One of these days Harry will stay at the show and will actually be able to pick up his own trophy. Congratulations to all our "Show" winners and a hearty thanks to all who participated in the Show. I also want to thank Southern Corvette Club of Concord for providing us with "expert" judging. Thanks Allen and crew.

We had 29 Cars start to make the Caravan to Charleston. 7 from Chevy's Under Glass CC, 3 from Southern Corvette Club of Concord, 1 from Myrtle Beach CC and 1 from Lancaster Ohio. Unfortunately David Carleton's new Car really didn't want to get that far away from home. So it pitched a (well you know) and David said ok.... if you don't want to see the big world .... we will go home. David, just a word of caution.... don't give in to much .... you know what they say.... spare the rod and spoil the child. Anyway with much regret we bade David adue .... in other words we left him along side the highway and 28 cars proceeded to Charleston. Uneventful also I might add.... When we arrived, in Charleston, we scattered like the wind to the four corners of the City.... that is if all 4 corners were within a 4 block radius of Market street.... Having walked, talked, ate, drank and generally saw bunches of people we adjourned to the Hotel. Unfortunately a few of the rooms were not ready on time.... but all in all the Hotel provided us with a superb place to stay. A nice place to have a reception, you know Beer, Wine, Shrimp, and **home made popcorn**. Was wonderful. We had secluded parking for the cars.... Out back!!!! John as usual did his outstanding job of putting the crowning touches on a already wonderful day. He had arranged for us to have a Police escort from the Hotel to our Dinning place. Ronnies' ... super good food and at a reasonable price. We had a private room .... and we filled it up. Neither Jon nor I expected everybody to join us for Dinner... We expected 45 to 50..... guess what.... 56! Yep everybody joined us for Dinner..... OOps time for the shoe horn.... room capacity .... 58. Made it with plenty to spare. Now back to the old Hotel.... Sunday several of us took the Carriage ride and Harbor tour. The air was a little chilly but all in all I think we all enjoyed the day. I am sorry everybody didn't get a chance to join us this year.... maybe next year!

Now is the time to start getting the old Corvette ready for the races... Remember our Autocross comes up June 19th & 20th at Knights Stadium. We will need lots of workers. Please let myself, Jeff Estridge or Fred Fischer know what you would like to do.... Hopefully you will want to race.... but I know many don't want to race so... please volunteer to help. We will try a new format this year. Multiple events at one time. They ran the Autocross at Columbia as sets of events. Saturday morning we ran heat 1 of Events 1 and 2 at the same time.... in other words we ran two laps of the course. Then heat 2 of Events 1 and 2. Saturday afternoon we ran heat 1 & 2 of Events 3,4,5&6. Let me tell you .... 4 laps around that course really got your oil heated up..... the cars' too.....!!! Loads of fun.... sorry you all missed it. You missed a lot. At this time I have not seen the results of the Columbia race.... so I can't tell you how "great" I was.... really don't think I did as good this year as last. Oh well so much for being "great". Seriously folks... you don't know how much fun you are missing if you don't try racing your car's.

Again I want to mention how good it was to see so many cars and people involved at AutoFair. Keep participating ..... Have fun with your Car.

Keep the Wave

Bob Denney

# The Annual NODA Classic

Dear Classic Car Owner,

Delighted with the phenomenal growth in attendance at the monthly Friday night Gallery Crawls in the Historic North Charlotte Arts District ("NODA") on North Davidson Street, the galleries and shops have decided to expand the fun.

We would like to invite you to participate in this year's 2<sup>nd</sup> annual Summer Festival **The Annual NODA Classic 99**. Selected events are free to festival participants and car owners. Music, dance, vendors, youth activities at the YMCA, and other events are planned for this festival, but our main attraction will be great classic cars. The festival begins Friday evening but the Classic Car event will take place on Saturday, June 19<sup>th</sup> from 12 p.m -8 p.m. Gift Certificates will be given for awards in four car categories.. We are asking all interested car owners to register by calling 375-5756 and we will gladly reserve your spot. Registration will be accepted from April 5- May 15. We are reserving spaces for 35 cars.

Located on North Davidson Street between 35<sup>th</sup> and 36<sup>th</sup> Streets only 2.5 miles from the uptown Charlotte, this mill village prospered when "cotton was king" and collapsed when the mills closed. The district re-emerged as a haven for artists, galleries, music venues and kindred spirits. The district regains its past energy at the monthly Crawls, which draw hundreds of Charlotte residents and visitors to the area. We hope that you will join us in this exciting celebration which we hope will become an annual event that all Charlotteans will look forward to!

PO Box 473072  
Charlotte, NC 28247

Dear Members of Queen City Corvette Club:

Thank you for your recent contribution of \$600 to Speedway Children's Charities. We appreciate your continued support of our programs through your fund raising efforts. It is an honor to have Queen City Corvette Club represent Speedway Children's Charities at events such as Auto Fair at Lowe's Motor Speedway at Charlotte. It is always interesting to see what you are offering to the public as a means to collect money for the Charities.

We want to thank you also for your willingness to volunteer at any of our events. Without the help of great volunteers like you, it would be hard for us to survive! Thanks to all of you, Speedway Children's Charities has conducted many successful fund raising activities.

We look forward to a continued relationship with Queen City Corvette Club and wish you all "The Best of Shows." You certainly deserve it!

Sincere appreciation,

Elizabeth H. Roscoe

## **Minutes from April 21, 1999 Officer's Meeting**

The April 21<sup>st</sup> meeting was held at The Elliotts home and was called to order by Jon Elliott, President. Bob Denney discussed our K&K insurance. Discussed autocross and Barnwell photos. Jon to look into. Clocks are secured. Event chairs are Bob Denney, Jeff Estridge and Fred Fischer. Currently have 56 NCCC members. We will pursue the newsletter competition.

Scott to conduct May monthly meeting and delegate out recording the minutes. The Elliotts will be absent.

Jon to handle Bowling Green room reservations for museum 5<sup>th</sup> anniversary..

Eddie to handle room reservations for Oct. beach trip. Will give details in June newsletter.
