TIME: 7:30 P.M.

May, 1991

Fellow Club Members:

QUEEN CITY CORVETTE CLUB and NCCC NEEDS YOU!

The 1991 Convention is just around the corner. If you have not volunteered your help, please do so **NOW!** If you are going to compete in the convention, volunteer to help with the event you enter. Please have your car teched early.

**** MEETING CHANGE NOTICE ****

FRIDAY, MAY 17TH
7:30 P.M.
(Map included in Newsletter)

The meeting is being delayed a week. This has become necessary due to the NCCC meetings in Nashville, TN, on May 10th & 11th. With Queen City's involvement in convention, chairpeople are going to the Executive Board Meeting on May 10th.

Hang in fellow members! I know things seem to be all convention talk, but the good times are still here. We are quite a group! We are all different, but when you put us all together, we have lots to offer each other and others. Be proud to be with Queen City Corvette Club. It is filled with very talented people.

Thanks to all you member for your hard work and support.

Roy

P.S. I would like you to refer to the QCCC Club Bylaws:

ARTICLE IV, Section III., a.

ARTICLE VII, Section I., l. & m.

Fellow Vetter's

Autocrosser's were out in style this week'end at Knight's Stadium. I was privileged to be a part of tech. and was witness to many clean and repainted engines. They must have just came from a car show. That didn't last long though, rain came off and on keeping track conditions slippery at times and a little messy but never dampened the spirits of any one there.

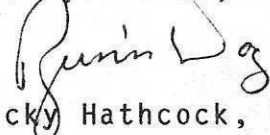

Sunday proved to be another day. Clouds turned into sunshine, as proven by my sunburn which is as bright a red as my cars paint. Everyone had a good time, there was no complaints I know of. I know everyone liked the T-Shirts, there were many compliments on them and a lot of people wore them on Sunday.

I want to thank Jay, Rena, Cherri, Don and Vince for their work all weekend and Larry, Betty, Kelly and Melissa for their full day of work. Jenny and a few members of other clubs helped set up a few cones in the first turn where we didn't have a corner worker. Thank's also to those QCCC members who came out just to participate, we Appreciate your support.

There is still a convention going on and we still need your help. Be sure to check your calender for your next opportunity to socialize with your club members. We miss you being there. Don't forget the May meeting has been changed, consult your calender or officers so you don't miss it.

May meeting night will be the last chance to order the clubs red convention T-shirts. I understand this will be the last order to be sent for this color and is for QCCC members only. Don't be with out this exclusive item.

See you soon, hopefully,

Ricky Hathcock, VP

vp competition

A BIG THANKS TO ALL OF THOSE QCCC MEMBERS WHO HELPED MAKE OUR EVENTS AT KNIGHTS STADIUM A SUCCESS. THOSE WHO RACED ON SATURDAY DIDN'T SEEM TO GET THEIR SPIRITS DAMPENED BY THE LIGHT SHOWERS WE EXPERIENCED. SUNDAY WAS A BEAUTIFUL SUNSHINY DAY.

REMEMBER THERE IS GOING TO BE A TOUR OF THE CORVETTE PLANT AND MUSEUM ON MAY 10TH IN BOWLING GREEN. A GOOD NUMBER OF QCCC MEMBERS ARE PLANNING TO GO AND LEAVE FROM THERE TO GO TO NASHVILLE FOR THE GOVERNOR'S MEETING. IF YOU ARE INTERESTED IN GOING PLEASE CONTACT ME IMMEDIATELY SO WE CAN MAKE YOUR RESERVATIONS.

MEMORIAL DAY WEEKEND THERE WILL BE 4 HIGH SPEED EVENTS AT NORTH CAROLINA MOTOR SPEEDWAY; THIS WILL BE THE LAST CHANCE TO RUN "THE ROCK" BEFORE CONVENTION.

Hello again fellow club members! Although I didn't make it to the low speed events at Knights Stadium, I hear everyone had fun (after getting through the drenching on Saturday). We have lots of fun events in May, and here are some details:

First, on Sunday, May 5, you have a choice of two things: there will be a sign-making get together at Coley-Jordan Firestone on South Blvd. for those who want to help with convention odds and ends (I will probably be laminating nametags -- bring your high speed license and we will laminate that too): Please come and help, and if you have magic markers, bring them too! There is also a concours in Greenville hosted by Carolina Corvettes, Inc.

We would normally have our club meeting on May 10, but since some club members are going to the National Governor's Meeting in Nashville, we have moved the club meeting to Friday, May 17 at 7:30 at Clayton's and Ruth's Corvette condo.

A Convention meeting will be held on Sunday, May 19. There will be more details about this at the club meeting on May 17. It is a good idea for all club members to attend these meetings to find out what the club's plans are for Convention, so please attend! We need everyone's help to make this a great Convention!

Last but certainly not least, on May 16 the Festival of Lights Parade will be held down Tryon Street at 8:00 p.m. Zoe has more details about this in her newsletter update, but she was told they may need five or six cars in the parade to carry some NASCAR drivers. If you would like to do this, please let Zoe know. Before the parade, we will gather between 6:00 and 7:00 p.m. at Arnold Palmer Cadillac (Melvin will open the gates for us), and we plan to have a tailgate party there. So bring your own food and drink and let's watch the parade together and have some fun!

Hi Gang,

The only thing I have to report is A bout the Festival of Lights on May 16th. When I contacted the Chairperson for the World 600 Festival I was told that the units for the parade was full but that they may have need for a few cars for the drivers to ride in. She asked if we would be interested in that. And I said yes! I will contact her again later this week but in the meantime if anyone is interested in doing this please contact me. (545-8168-Home or 545-6193 work!)

That's all for now. Remember your Club & the Convention. Get Behind All your Chair persons And Help make this a great convention.

Loe.

APRIL 12, 1991, MINUTES

QUEEN CITY CORVETTE CLUB MEETING

The meeting was called to order. The roll was called. There were 25 members present. Our 3 visitors were welcomed.

Jackie Profitt gave her convention t-shirt report. A copy of it will be included in the club newsletter.

Vice President: An inventory of the club trailer is being taken and will be in the next club newsletter.

It was decided by the club that we should wait until after convention is over to plan an all night Spina Bifida autocross race to raise money for our yearly contribution to this cause.

If anyone has anything they would like to donate to the club to use as monthly raffle items, please contact Ricky or bring them to a club meeting.

Vice President of Social: In Candy's absence, Sharon Elgin told that we would have a luncheon social before the Convention Meeting on April 21 at Lee and Sue Chandler's house. She passed a sign up sheet for everyone to sign regarding what they would bring in the way of a vegetable or dessert. The club will provide the chicken and ham.

Vice President of Competition: New NCCC membership cards were passed out to members who had not previously received theirs.

The Regional Governors' Meeting is being held in Columbia on April 13 at the same location of the Greater Columbia car show.

NCCC is holding low speed autocross events at Knights Stadium on Saturday, April 27, and Sunday, April 28. We need all club members to work these events. Betty showed the t-shirt that we will be giving away as awards for the weekend.

A trip to Bowling Green, KY, has been scheduled by NCCC for Friday, May 10, to tour the Corvette plant and visit the Corvette Museum. Anyone interested can contact Betty for details.

Discussions were held about the new proposed rule book changes to be voted on for the 1992 rule book.

Vice President Public Relations: There was nothing to report at this time other than that she will be checking on the "Parade of Lights" to see if they want our participation this year.

Treasurer: A detailed report will be in the newsletter.

Secretary: A Thank You note was read from Don Zimmer; all April birthdays were remembered with those present receiving a small surprise; a copy of the Bylaws with the most recent Bylaws' change was passed out to the members present that had not already received a new copy; and a new address list was passed out which included our new club members, the Calleas.

Convention Business: Ricky stated that he, Jay, Larry, and Melvin Pace had gone to Charlotte Motor Speedway that day to set up the high speed course; a discussion was once again held on day passes, and Jay told everyone that he would call Marlene to get a confirmation on letting our club members be workers without the party privileges so they would not have to pay the day pass rate.

Old Business: None.

New Business: Jay Freeman gave the club some information he had received from Car Guys about a driving school that will be held at Charlotte Motor Speedway on June 1 and 2 for \$250.

The May club meeting will be held on the third Friday night, May 17, because so many of our club members are going to the National Meetings in Nashville the second weekend. This will be the last National Meetings before **Convention '91** in Charlotte, NC.

The meeting was adjourned.

Respectfully submitted,

Rena Freeman, Secretary

RE: RED CONVENTION T-SHIRTS OR GOLF SHIRTS

As you may all remember, we designated the "red" shirts as our club color for the convention shirt. We will be the only people wearing a red convention shirt so convention attendees will know who to come to with their questions. It is time to make another order if you need more red shirts for that week. (This is the last order that will be taken for red convention shirts, and it must be returned to Jackie Profitt by May 15.) These shirts are to be paid for in advance at only the cost of the shirt.
