QUEEN CITY CORVETTE CLUB MAY BUSINESS MEETING

DATE: Sunday, May 17, 1992
TIME: 3:00 P.M.
PLACE: Clayton and Ruth Williams Corvette Condo

W.T. Harris Blvd.

PRESIDENT'S REPORT

A GREAT BIG THANKS TO ALL for supporting our club and making it successful in everything we attempt ---

The participation has increased and the fun has become second to none. For those members who have not been able to join us, please do so and enjoy the fun and fellowship -- I don't think you will be disappointed.

An extra thanks to our dedicated club members who were showing their cars while I was sunnin' and lookin' at the scenery on the sandy shores of O.D. at S.O.S. this past weekend -- my first trip to O.D. in four years. Even the "Pres." needs a day away every now and again. With the beach trip behind me, it's down to serious Corvetting for the remainder of the season.

Don't forget to bring to the May 17th meeting:

- Your written suggestions for spending some of the Convention '91 profits;
- Those dusty trophies and plaques for recycling; and
- Suggestions on a place, date, and time to have our picture made for VETTE magazine's "Club Corner."

See you at the meeting, if not before --

Your President

Well, things are getting busy and participation is great (except for a few of us who went to the beach instead of the car show.) Thanks to everyone for taking time to be at the events. We have held some very successful events and attended some as well. All together, QCCC has shown others what a 1st Class Club we are. Hope to see everyone at the meeting-social. Remember to bring raffle prizes as the raffle is going great!

V. P. OF SOCIAL

TO: All QCCC Members
FROM: Vince Sciabica
DATE: May 4, 1992
RE: QCCC SOCIAL ON SUNDAY, MAY 17TH

Thanks to everyone who went to the Lone Star for dinner after the April meeting. It was nice to see the club occupy the complete back room!

Hats off to all the members who helped at the Charlotte Motor Speedway Auto Fair and the low speed events at Knights Stadium. Both were a resounding, simultaneous success. A great Queen City Corvette Club effort!

The club had the second best showing at the Carolina Corvette's Concours show. All members took first place in their class. Keep cleaning and polishing those Vettes!

The Sunday May 17th club meeting at 3:00 p.m. will be followed by a club social. The club will furnish the ham, chicken wings, and the soft drinks. The Call Committee will be in touch with all members for the covered dish selection.

See everyone at the social!

**APRIL 10, 1992, MINUTES
QUEEN CITY CORVETTE CLUB MEETING**

The meeting was called to order. The roll was called and all April birthdays were remembered. There were 24 members present and 3 visitors. The visitors were welcomed by the President.

The minutes were approved for the March 13, 1992, club meeting as printed in the newsletter.

VICE PRESIDENT: Mike Catoe gave his thanks for all the help from the club during the club speed events and at the Auto Fair selling Spina Bifida raffle tickets and having club cars on display. Some club members earned a maximum of 30 interclub points for the weekend for this participation and work. He gave out an updated interclub points list to anyone who wanted it.

He said he had Spina Bifida posters for any club member who wanted one.

The club equipment for speed events has been repaired, but the club trailer is in bad shape. A discussion was held about the club buying a new club trailer. This decision has been put on hold for the time being.

The raffle will be held at the end of the club meeting.

SECRETARY: A new address list was given out.

TREASURER: Ruth Williams went over the treasurer's report that appeared in the newsletter in more detail. She said that second quarter dues are now due.

She said she had received a check from NCCC for our portion of the money that was paid for sponsorship by Chevrolet for Convention '91.

VICE PRESIDENT PUBLIC RELATIONS: Betty Gunter thanked everyone for their participation in the St. Patrick's Day Parade. She also thanked everyone for the help at CMS and Knights Stadium.

We have been asked by CMS to participate in the Auto Fair for the dates of September 10-13, 1992, and for 1993 date of April 1-4.

I still do not know anything about the Festival of Lights Parade other than it is on Tuesday, May 19.

We did have a meeting about the 25th Anniversary reunion. The next meeting is planned for June 17. We need addresses of people from 1978 to the present. We have some past club members that are going to help us. We are tentatively talking about having the reunion sometime in August of 1993.

As far as the raffle tickets sold at CMS, our total right now is \$2,370. We will present a check to National Council at the May meeting.

Coulwood has asked us to participate in their July 4 parade.

VICE PRESIDENT OF SOCIAL: Vince Sciabica said thanks for last weekend. We worked as a team and pulled it off. There are pictures available to look at from last weekend at CMS showing club cars.

There will be a social at the next club meeting which will be held on Sunday, May 17, at 3:00 p.m. in the afternoon. The meeting will be first with the social following afterwards.

For anyone interested in eating after the club meeting, we will be going to the Lone Star.

Vince also urged all club members to participate in the car show being held in Greenville on May 2.

VICE PRESIDENT COMPETITION: Larry Gunter thanked everyone for all their help at Charlotte Motor Speedway on the sale of raffle tickets and to all the members who helped at the speed events. We pulled it off.

He told everyone that he had applications for anyone interested in joining the National Corvette Museum.

Jim Beam now has a 1968 decanter available.

Regarding the Master Card with the Corvette on it, the required number for NCCC to have before a percentage starts coming back to them has been dropped to 750.

The people going to Indianapolis for the May Governors Meeting have an opportunity to go to the Indy 500 track on Friday for \$5 a ticket. This lets you do everything.

The flyers have come in for the South Sectional being held in Talladega. There is a 75 car limit on entries.

There are 8 low speed events at North Air Force Base in North, SC. We need everyone to participate.

There is a car show in Greenville, SC, on May 2.

I have been informed that there are helmets available at Charlotte Honda for \$69.95 with the Snell 85 rating.

OLD BUSINESS: Jay Freeman said we need to pick a date to get a club picture made for the article we want to have printed in Vette magazine.

Everybody is to be congratulated for a job well done. Thank you everyone for all your help at CMS and Knights Stadium.

NEW BUSINESS: Two resignation letters were read from Dick Craig and Rion Choate. These members left in good standing with the club.

We are missing one fire extinguisher. Does anyone have any idea where it might be?

Each club member is asked to submit in writing by the next club meeting any idea they have regarding what they would like to see a portion of the money used for that is now in the club treasury.

We would like to recycle awards. Bring any awards you don't want anymore to be recycled.

It was decided that we would discuss a new club shirt at the next officers' meeting.

George and Teresa Tilton want to be voted on as new club members. As soon as we adjourn, don't forget to come up and vote.

A motion was made and second that the meeting be adjourned.

WELCOME to George and Teresa Tilton as new club members of Queen City Corvette Club.

Respectfully submitted,

Rena Freeman

The weather is warmer--the flowers in bloom
We're thinking of summer--why wait until June
The winter's been a long one and the wait was so hard
Tis the season of new promise--it's all in the cards

The thoughts of the racers turn to weekends of fun
Of running and playing and racing to the sun
The cars are all waxed and the engines are hummin'
So it's off for a weekend of racing and sunnin'

So 'twas on the road to North--down South
How would we be running--we'd soon find out
So we all came together--with friendship our glue
To race 'em and run em 'and have a laugh or two

Take off down the air strip and go to the end
Turn around and through two gates and back again
Weave in and out and turn this way and that
And back through the lights in no time flat

'The times were impressive and spirits were high
But we could knock off three seconds if only we try
Then out of the blue came the cry of not fair!
You can't run in that class with no tire to spare

The spare tire was lost--but lost by who??
It was there when I drove it--so it must have been you
When finally a voice yelled in from the track
It fell off but here--do you want it back?

Our weekend is over and the week may be rough
But remember the good times and it's not so tough
Those good times and laughter and people who care
Don't end with the weekend--they always are there

So good-bye to this weekend it really was fun
We'll be back together the next time to run
So do come and join us--we'll all have a ball
When we stand together--Queen City stands TALL

Mandy Dickson

WOOOOW CHECK-UP

Q.C.C.C. members never cease to amaze me. We pulled off the April weekend of speed events and CMS activities just like we knew what we were doing (maybe we did). I will not mention any names for fear of leaving someone out; therefore, "THANKS" to all of you for your help, support, and participation.

The speed events at North, S.C., produced a wonderful turn out of Q.C.C.C. members. Would you believe 16 on Saturday and 16 on Sunday participated or cheered? Ask to see pictures of our newest autocrosser, as she sits helmeted on her electric scooter, awaiting patiently (and nervously) for her husband to return with the car. Give'em hell Marge!

The Greenville car show will be history by the time you read this; so, I will just say hope you made it down and the results will be announced at the May club meeting.

The event flyers for the South Sectional, May 23 & 24, at Talladega, AL., and the Winston-Salem car show are included in this newsletter. Departure times will be discussed at the May Q.C.C.C. meeting and the Call Committee will notify the membership.

It is only May and the "season" and fun have only begun. Let's keep the excitement, fun and participation going and show everyone what Queen City Corvette Club is about.
