QUEEN CITY CORVETTE CLUB
OCTOBER BUSINESS MEETING

DATE: SATURDAY, OCTOBER 14, 1995
TIME: 6:00 PM MEETING/SOCIAL
PLACE: GEORGE & THERESA TILTON

CALL COMMITTEE
WILL BE IN TOUCH

The September 15th meeting was called to order by our President Harry Wolle. The roll was called and our guests were welcomed. The September birthdays were remembered. The minutes for the August meeting were approved as printed in the newsletter.

Art reports that we had a great turnout for the Spina Bifida Family Fun Weekend. A heart warming and fun time was had by all in attendance, in spite of the rain.

Hope to see everyone out participating in the upcoming events, whether it is a car show, speed event, high school homecoming, or the fall tour.

George reports that the beach trip was a big success. The weather was a little overcast but that didn't seem to bother anyone.

George is going to check with Dick Whittington about the date for the fall mountain run. Details will be in the newsletter.

Larry now has white QCCC caps for \$10.00 each. He will be collecting dues following the meeting.

Jay went over the upcoming events as they appear in the newsletter.

The Novice class has been retained by NCCC. There is going to be a Dream & Drive in 1996 and 1997.

The Carolina Regional Banquet will be held February 10, 1996, at the Quality Inn, in Spartanburg, South Carolina.

Jim thanked everyone for bringing their cars to the AutoFair.

We have been invited to participate in several high school homecoming activities. More details will appear in the newsletter. Also, we have been invited to participate in the Matthews Community car show, on November 11th and 12th. More details in the newsletter.

Thanks to Piedmont Natural Gas and Michael's for their donation and discount on the supplies that we used for the sun visors at the Spina Bifida Family Fun Weekend. Thanks to Theresa Tilton for her work.

Harry reminds everyone to please help sell raffle tickets for Spina Bifida.

A motion was made that we adjourn the meeting.

Respectfully Submitted,

Betty

VICE PRESIDENT OF SOCIAL

The Fall Mountain Run will be on Sunday, October 15, 1995. We will meet at the McDonald's on I-77 Exit 28 (Cornelius) at 8:00 A.M. We will leave at 8:30 A.M. sharp. We will travel to N. Wilkesboro (Wilkes Mall) where we will join all the other Vettes from around the Carolinas. From N. Wilkesboro we will caravan to Shatley Springs for lunch. After lunch we will cruise the Blue Ridge Parkway and try to return to Charlotte in the late afternoon. See You There!

Thanks to all who showed up for the Fall Auto Fair. We had a good turnout considering the weather. Our Raffle Ticket sale was very disappointing.

Our next business/social will be on Saturday, October 14, 1995 at 6:00 P.M. We will meet at my home with a cookout following the meeting. See front of newsletter for directions. The call committee will be in touch with you regarding covered dishes, etc. Please bring chairs and BYOB.

Dear Queen City Corvette Club,

How very thoughtful and dear you were to send the precious white outfit to Margaret. What a perfect thing for her to wear during the upcoming cool days of fall!

We feel blessed to have another healthy girl and are very

lucky that Margaret is so sweet-natured.

Thank you for sharing in our joy and helping to make this an even more special time of our lives.

Fondly,

Betsy & Son

Dear Queen City Corvette Club Members,

Thank you so much for the beautiful plant and for thinking of me. The caring of friends is the only thing that helps me such a difficult time.

Thank you again!

COMPETITION REPORT LIFE IN THE FAST LANE ("LITFL")

Are we having fun yet? You bet we are!--**AND**--there are enough events and activities left in '95 for everyone to join in the fun and camaraderie. Please make your plans to attend one, two, or as many of the events listed below as you wish.

Congratulations to Labe Abernathy and Jon and Betsy Elliott on their 1st places in their respective classes at the Gastonia concours hosted by Confederate Corvette Club.

The speed events at North, SC, were a lot of fun. I think those who participated brought their cars back running and in one piece, except Rena and I, who expired a transmission on my first run Sunday morning. Spreading mulch at home the rest of the day wasn't near as much fun as racing the rest of the day would have been--but--the mulch had to go so the car could go back in the basement to get ready for the next events.

Please see your newsletter for flyers and items that may be of interest to you. I hope to see those of you I haven't seen out somewhere participating in the events and activities.
